- Percentage of staff with a Bachelor's degree exceeds that of the district.
- EL student percentage is well below that of the district and state average.
- Mobility rate of students is less than the state average.

Problem Statements Identifying Demographics Needs

Problem Statement 1: The number of students requiring RtI has increased.

Root Cause: Staff members are proactive in identifying struggling students.

Student Learning

Student Learning Summary

The 2023 STAAR results indicate a need for continued work to improve scores to meet or surpass the state average and to address some hotspots in math. We will evaluate our Title I and State Compensatory Education programs using data gathered from current year STAAR and local benchmarking and common assessments to evaluate the effectiveness of our interventions. The assessment program will be expanded by utilizing Eduphoria Aware to track student mastery and to better guide our instruction. Campus and district teams will continue to work towards vertical alignment and rigor. KWE will also strive to receive distinctions in the following: Mathematics, Science and Comparative Academic Growth.

Reading STAAR Scores: 3rd Grade - All students - 85%

4th Grade - All students - 88%

5th Grade - All students - 98%

Math STAAR Scores: 3rd Grade - All students - 82%

4th Grade - All students - 79%

5th Grade - All students - 98%

Science STAAR Scores: All students - 81%

Student Learning Strengths

- Implementing the RTI process for all grade levels. We have a process in place to track, identify, and serve all struggling learners in Reading and Math.
- Campus benchmark system and common assessments enhanced by the use of Eduphoria Aware to track student mastery and to guide instruction.
- District common assessments are locally created and align with TRS and state standards.
- Strong UIL Academic program
- Materials used to aid students in their ability to focus and attend during class time to ensure that they are able to listen and focus on their work (specialized desks, seating, sensory motor lab).
- Equipped teachers with tools through Daily 5 integration to increase student engagement.
- Support provided to vertical alignment through safety nets, essential skills for success in Reading and Math for the next grade level.
- ESL facilitator is providing intervention for ELL both in class and through pull out programs.
- Addressing special needs and ELL populations through appropriate strategies and interventions.
- Addition instructional support given through Reading to targeted students.
- Utilizing classroom walkthroughs, teachers developed assessments and district developed assessment data to determine student needs.
- Target After School Campus Enrichment program by each core department in alignment with student weaknesses shown through the TEKS.
- Targeted instruction for all learners during Power Hour.
- Implementation of Foundations in PK-3rd grade classrooms to build a strong foundation in Phonics.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: Math scores in 3rd and 4th grade while exceeding the state average, need to improve to 85%

Root Cause: Students who need intervention need to be indentified.

School Processes & Programs

School Processes & Programs Summary

Personnel- Policy and Procedures: New staff members are supported campus-wide by being partnered with veteran teachers, but also participating in a formal teacher mentoring program.

Throughout the year, our staff meets to review both instructional and academic data for continuous improvement.

Professional/staff development needs are determined by monitoring data, frequent classroom visits by administrators, district staff feedback, grade level/team meetings, vertical meetings, and individual conferences with teachers throughout the year. New teachers also attend two days of training prior to school starting for 2023-2024 school year. The district has a heavy emphasis on in-house staff development and encourages out of district workshop opportunities through the regional service center and surrounding areas.

The elementary curriculum specialist is a full time position on the campus. Additional instructional support is offered through a math interventionist, 2 reading interventionists, 1 part-time reading specialists, and 1 part-time math specialist.

Grade level meetings and faculty meetings include opportunities for professional growth.

The campus handbook explains policies and procedures specific to KWE.

Professional Practices & Procedures:

Administrators monitor implementation of CIP objectives through classroom observations and provide two way communication about the observations through Eduphoria T-TESS. They also attend team meetings, analyze data using various testing instruments, and engage in professional conversations about student achievement with staff members. Individual teachers, grade levels, grade level leaders, and the Child Centered Team bring various academic topics to the table that reflect the needs of staff and students. TEKS Resource System is used across the curriculum as a means to provide a guaranteed and viable curriculum across all grade levels and all core subject areas. District wide common assessments and/or benchmarks are being implemented at the end of each nine-week period. The SpEd Department meets with grade levels every 6 weeks to discuss academic progress, needed accommodations, and how students are progressing toward their goals.

KWE will:

- Utilize training and planning time:
 - Which will involve all campus stakeholders in campus needs assessment, analysis, and future growth plans.
 - Update staff on STAAR information guides, released tests and study guides that are available
 - For differentiating instruction for Special Ed and General Ed staff, Literacy Collaborative, ELPS, and GT integrated strategies
 - To integrate STAAR objectives in P.E., Art, Music, Library, GT program
 - to conference and set goals after each common assessment by objective and student group to develop remediation/acceleration plans
- Grow new staff members through targeted support
- Utilize Grade Level, Departmental, and Committee Meetings to gather staff input
- Provide planning time to ensure that instruction is aligned to TEKS/SE and STAAR performance objectives
- Utilize Eduphoria Aware through data disaggregation sessions (with Elementary Curriculum Specialist/Interventionists/Administrators) for campus data to check progress towards mastery and identify areas of weakness

Campus Technology:

- The campus has one computer lab, one computer per classroom, a teacher iPad, and 6 class sets of Chromebooks available for checkout.
- Access to the Learning.com website gives students the opportunity to benefit from new technical remediation.
- Access to various computer programs (Prodigy, Xtramath, Learning A-Z, iStation and Think-Through Math, Think Central) and small group tutorials provides educational activities to foster positive experiences in reading, math, science and writing while building specific foundational skills required for future STAAR success.
- Provide training:
 - Updated STAAR information guides, released tests and study guides as soon as they become available.
 - For differentiating instruction for Special Ed and General Ed staff, Literacy Collaborative, ELPS, and GT integrated strategies
 - To integrate STAAR objectives in PE, Art, Music, Library, GT program
 - Conference and set goals after each assessment by objective and student group to develop remediation/acceleration plans
- District provides 1:1 Chromebooks for 5-3rd grade.

School Processes & Programs Strengths

Staff Quality, Recruitment, and Retention Strengths

- Consistent and purposeful staff development, both in and out of district, and staff meetings
- Formal teacher mentoring program
- Elementary curriculum coordinator involved in staff development to support teachers and their instructional needs.
- Elementary curriculum coordinator placed on campus to help support campus instructional needs daily.
- Professional teachers allowed one planning day after each Common Assessment/Benchmark testing session
- Staff development aligns with district initiatives.
- Campus technologist position to support staff.
- Strong curriculum in TEKS Resource System.
- Program for Dyslexia Intervention (PDI)

- Open communication through grade level meetings
- Protected planning time, and curriculum planning days
- Instructional technology progress through addition of Chromebook carts
- Check points through district common assessments
- District common assessment and Benchmark data, and istation reading and math data is disaggregated and used for campus discussion and drives interventions
- Continuation of Reading Daily 5 in all Reading classes
- Curriculum specialists are focusing on building the writing curriculum across grade levels
- ELAR adoption provides resources to assist teachers in planning, pacing, providing instruction, assessing, and meeting the needs of all learners.
- Intervention Program/Resources to support classroom teachers in meeting the needs of struggling students: 2 Reading Interventionists, 1 Math Interventionist (K-5), 1 part-time Reading Tutors, 1 part-time Math tutor, and 3 Intervention Aides
- SPED department staffed with 2 teachers and 2 aides
- BIC program designed to assist students in need of behavioral support, program consists of a teacher and 2 aides
- Designated training days to develop online/asynchronous instruction

Perceptions

Perceptions Summary

School Culture and Climate Summary:

Research shows that teachers need to feel connected to a common goal that is communicated clearly and in a work place where they feel supported. Utilizing data from our campus-wide staff development feedback, teachers feel Kline Whitis Elementary has an overall effective and positive school climate.

Trainings provided by the district, campus, and service center continue throughout the year to address these classroom strategies. Research also indicates

that students who feel connected to their school, peers, and community are more likely to experience academic success and positive health. Our campus is

committed to supporting our teachers in their endeavors to meet each student's academic needs as well as our students' social needs.

Provide training:

- Research based techniques to increase academic achievement through enhanced instructional and curricular techniques and resources
- On-site coaching and modeling with team meetings and classroom visits
- Drug/violence prevention, identification and report of child abuse, identification of homeless children
- District and Campus Crisis Management Plan
- RTI procedures and time lines
- Provide leadership opportunities for staff members
- Provide classroom instruction in Coordinated School Health program and wellness
- Drug Awareness Week activities and incentives
- Continue reading incentive programs that culminate in the nine-weeks reading awards.
- Provide instruction in drug prevention, good decision-making, and bullying
- Ensure facilities meet the needs of the instructional program and student needs
- Gather data from staff development feedback
- Formalized mentor program to provide support to first and second year teachers to increase teacher retention
- Targeted beginning of the year staff development sessions to improve instructional practices
- Designated horizontal planning days
- Student safety awareness training
- Incentive Programs- Such as Perfect Attendance Incentive, and Bluebonnet Reading award, **AR programs within classrooms.**
- Caught Being A Badger Award
- 9 Week Award Ceremony
- Implementing Daily 5
- Power Days

(Implementation pending reduced restrictions in regards to CDC requirements for social distancing)

- Honor Guard for student leaders
- Marathon Kids

Family and Community Involvement Summary:

KWE hosts several opportunities for our families and community members throughout the school year. Parents of Kindergarten and Pre-K students are invited to "Meet the Teacher Night" the week before school starts. Book Fairs are held at least twice a year. Students and parents are able to find books online, gaining access to electronic books, through links on our school library website. Most of our textbooks are available online also. Fine Arts programs have been presented in the form of student led musicals/performances

along with programs emphasizing the child's total health and fitness through jump-rope and other cardiovascular activities.

All activities are posted on the school and district website as well as the campus marquee. Special events are advertised in the Lampasas Dispatch Record, Lampasas Radiogram, and on Facebook. The campus has an active PTA organization that supports the campus with monetary and service support. Notes are sent home in both English and Spanish well in advance of the scheduled events. Campus administration utilizes the Blackboard messaging system to communicate events and activities to parents in both English and Spanish. Campus newsletters are sent home once a month, informing parents of past highlights and up coming information they may need to know. Grade levels have each adopted a communication system, usually a daily or weekly folder system for transporting school work, announcements and behavioral information to parents. KWE also teams up with local community businesses and organizations to provide outreach programs to our community and students, such as Counselors in the Community each month. Our annual district parent survey collects valuable input from all shareholders. Parents serve on KWE's campus site-based decision making committee, as well as on the district site-based decision making committee when requested.

- We host a "GRAND Meal" to invited special individuals to come eat with students.
- The campus recognizes all veterans from the surrounding areas annually on Veteran's Day.
- ESL Family Night is held to encourage and include this school demographic in bridging the home/school connection.
- The Counselor provides opportunities for community members and parents to be involved frequently (Patriot Breakfast, Veteran's Day, Angel Tree, Food Drive, Career Day).

Perceptions Strengths

- Targeted Staff Development- Grade level members are sent to curriculum training to support the implementation of district approved curriculum, including training on high yield instructional practices.
- Targeted Staff Development- Classroom teachers are participating in curriculum training to support the implementation of latest research based ELAR instruction using the Daily 5 Model.
- Child Centered Team- Utilizes data-driven decision making process to identify, monitor, and meet student areas of need
- Incentive Programs- Such as Perfect Attendance Incentive, and Bluebonnet Reading award, awards assemblies

- Formal Teacher Mentor program continues.
- Staff horizontal planning days
- Increased safety awareness through grade level and campus-wide meetings
- Elementary Campus School Resource Officer (shared)
- PTA membership increases yearly
- Parent/teacher conference days
- Intentional parent academies are educating parents to specific school programs (STAAR, Remind, Bloomz, eBook Reader, Campus Needs Assessments, AR, ELL,)
- HEB supports KWE event nights and instructional needs.
- Adopt-A-School involvement from the Ft. Hood.
- Family Night – A fun, educational experience for students and parents that is provided 4 evenings per year by faculty
- Adding new components to Family Nights (theme dress ups with opportunities to win book fair certificates, and each student was given a book)
- Family night attendance is improving
- Increased opportunities to involve parents in school functions is developing stronger relationships among parents and staff
