Sutter County OHAC

Oral Health Advisory Committee

Working Together to Improve Oral Health Outcomes in Sutter County

- ✓Build Community Partnerships
- ✓Share Resources and Best Practices
- ✓Learn about Local Oral Health Initiatives
- ✓Support Strategic Planning and Action

Who Are We

The Oral Health Advisory Committee is a group of community-based organizations, local healthcare agencies, schools, and individuals with an interest in improving the oral health of Sutter County residents.

Mission Statement

We provide leadership and advocacy to help improve the oral health and well-being of Sutter County residents by increasing education, collaboration, and awareness.

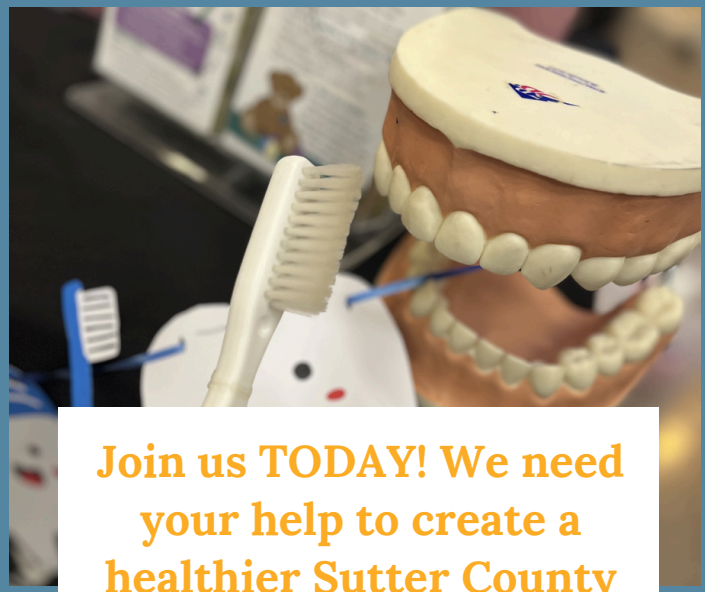

Vision Statement

Overcoming barriers to provide oral health access for all.

Why Join us

- Make real impact in your community
- Network with local leaders and organizations
- Contribute to meaningful public health initiatices
- Be part of shaping local health programs

Your voice can shape the future of oral health in our community

Join us TODAY! We need your help to create a healthier Sutter County

Getting Involved:

The Oral Health Advisory Committee meets quarterly, either in person or via Microsoft Teams. All interested community partners and organizations are welcome to join free of charge.
