

Your benefits review is the best opportunity of the year to make changes to your benefits package and ensure your coverage continues to meet your needs. An American Fidelity account manager can help you review your coverage and find a plan that works best for you and your family.

Your enrollment dates:

Benefits Enrollment
October 6 to 10

**Schedule your
appointment today:**

Has your information changed?

New address or bigger family? A lot can change in a year and it's important to verify all of your information is up to date during your benefits review.
