Transition to ParentSquare

Exciting news!

After this summer, we will be transitioning from Remind to ParentSquare as our primary communication platform. ParentSquare offers a simple, secure way for families to stay connected with school staff. Through this system, you'll be able to receive all school and classroom updates via email, text, or the mobile app; whichever works best for you.

In the near future, you will receive an invitation by email or text to join ParentSquare. When you receive it, please be sure to click the link to activate your account. It takes less than a minute. ParentSquare can be accessed on any device. You can download the free mobile app for iOS or Android, or use the desktop version at www.parentsquare.com.

ParentSquare

We'll share more information in the coming months. In the meantime, we will continue using Remind for all communication through the remainder of this school year.

Attendance at LAS

Attendance plays an important part in a child's academic success. We understand that at times students must stay at home due to illness. When they are not ill, we thank you, for ensuring that your children attend school daily and on time. Way to go to **7th grade** for having the highest attendance rate for the month of **March!**

(REPEAT) Attention 6th grade parents

As we prepare for the 26/27 school year, please be informed that California law required students to have a TDAP booster immunization prior to entering the 7th grade. If your child has already received this immunization, please provide the LAS office with an updated record as soon as possible. If your child has not yet received it, please begin the process now so it does not interfere with your child's education. For questions regarding this requirement, please contact [Ms. Karina](#) in the LAS office.
