Purpose of Report Card

Del Mar Union School District's report card communicates students' achievement of trimester-specified standards. Progress indicators are based on students' demonstration of mastery of core curriculum standards. Portrait of a Learner competencies are reported separately from academics to provide a comprehensive view of a learner's overall performance.

The report card communicates
- an accurate portrayal of student learning that is consistent throughout the district
- present levels of student achievement

Portrait of a Learner
Our Portrait of a Learner articulates our community's aspirations for all our students, identifying the skills, mindsets, and competencies that our students need for success in this rapidly changing world.
Adaptability - Being flexible and showing resilience while responding to feedback
Critical Thinking - Being a curious learner who can analyze and solve problems
Global Citizen - Understands perspectives, takes responsibility for actions, and advocates
Emotional Integrity - Acts with empathy and respect to self and others
Learner's Mindset - Motivated to learn, embrace challenges, and develop agency over learning
Depth of Knowledge - Integrates, applies, and communicates knowledge to deepen understanding
