Principal's Message

Special Guests on Campus!

Thank you to the Marysville Police Department and the Yuba County Sheriff's Department for joining us for our Kynoch Community last month! We are so grateful for the time you spent connecting with our students, families, and staff and for the important work you do to support our community.

School safety is always our top priority. Partnering with our city and county agencies helps us strengthen our safety practices, build relationships, and work together to keep our students and staff safe.

We are incredibly thankful for the many community partners who support Kynoch and help make our school a safe, welcoming, and caring place for everyone. Thank you for being part of our Kynoch Community!

Sincerely,

Mrs. Pomeroy, Proud Principal
