By law, the Board is not allowed to take action on matters that are not listed on the agenda. Complaints presented to the Board must not involve specific reference to employees.

Public Comment: Jessica Heston requested a stipend for mentor teacher. We have a few mentor teachers who are on site that help with other new teachers. There is a lot of work involved with meetings and paperwork and it would be nice if they could be paid for their extra time. She requested this be brought up at the next board meeting in October. Jessica also requested the curriculum called "Generations Genius" be added to the list and purchased if possible.
