A California Distinguished School
Hawker's Herald

Mark Beard, Principal

December 2025

Vanessa Bond, Vice Principal

Dear Stone Lake Families,

I hope your Thanksgiving Break was wonderful, and you were able to rest and enjoy family and friends.

This month we will be having our basketball tryouts for both the boys and girls. The dates and times for those are at the right, but there is also more information later in the Herald about this.

I encourage our families to check out ALL sections of this Herald, but I especially encourage you to check out the section on the California Dashboard data. In simple terms, this link gives our families an update on how Stone Lake is doing in multiple measures. It's interesting and encouraging information.

In closing, I wish all of our families a very happy Holiday Season.

Respectfully,

Mark Beard

Reading Difficulties Screener

Kinder-Second Grade Students

CA ED CODE 53008: READING DIFFICULTIES SCREENER 2025-26

Elk Grove Unified School District

WHAT IS THE SCREENER?

In 2025, a new state education law was passed requiring all CA school districts to screen all kindergarten, first grade, and second grade students for risk of reading difficulties starting in the 2025-26 school year. This school year, EGUSD will implement the Multitudes screener for all students in those grades about midway through the school year. It is a quick, one-on-one assessment of critical areas of reading and language.

CHECK OUT THE VIDEO WITH
MORE INFO BELOW:

BENEFITS

The results of the screener will be used to help teachers and school staff to know what additional reading supports to provide to students. These earlier interventions may prevent future reading difficulties and special education needs.

EXCEPTIONS

Students will not have to take the screener if:

- they are on an Individualized Education Plan (IEP) for reading or being tested for one.
- their parent/guardian opts out of the screener (form available in the school office).
- they do not currently have proficiency in English or Spanish (an alternative screening process will take place).

SCREENER RESULTS

- Will be shared with families within 45 calendar days
- Will NOT be used to for diagnosis of a learning disability, special education identification, student reclassification or retention, or on the student report card

5th and 6th Grade Basketball Tryouts

Boys and Girls

I want our families to mark the following days for 5th and 6th Grade Basketball Tryouts:

Girls Tryouts-Wednesday, December 10th 2:10-3:45

Boys Tryouts-Friday, December 12th 3:00-4:45

In order for students to tryout, they **MUST** turn in the attached forms to the office before tryouts. A student will **NOT** be able to tryout without both forms signed.

A huge thanks to Manvir Lallian for coaching the Girls' Team!

A huge thanks to Ivan Carillo for coaching the Boys' Team!

Forms are available in the front office

5th Grade Comprehensive Sexual Health Education

Part of 5th grade curriculum is teaching Sexual Health Education. This does not take place in our classes until Spring, and our 5th grade teachers ALWAYS notify families before it starts.

I did want to share the following link with families that will give you more information about EGUSD Comprehensive Sexual Health Education:

<https://sites.google.com/egusd.net/comprehensive-sexual-health/cshe-home>

The following gives information about upcoming Community Nights (the links below are not live).

2025-2026 Annual Parent/Guardian Community Information Nights

The Elk Grove Unified School District offers Comprehensive Sexual Health Education to students enrolled in 5th grade, Science 7, and High School Health.

In compliance with California Education Code, Section 51938, you are invited to attend a Parent/Guardian Information Night to learn about the instructional requirements of comprehensive sexual health education and the adopted curriculum.

If you have any questions, please contact your site Administrator.

Chromebook Tech Capabilities That Parents Should Know

As our district, and many districts around the nation, have entered into a tech heavy learning environment, it has definitely created some struggles for teachers and parents.

I wanted to make sure and share some capabilities of the Chromebooks that allow your children to interact with each other 24 hours a day 7 days a week if not monitored. Often teachers have students create Google documents or Google slides. Both of these have the capabilities to be shared with classmates. Once they are shared with classmates, students can use this as a way to communicate with each other. This communication can happen during the day (without the teacher knowing), and it can also happen at home (without parents knowing).

Students are also able to email one another via Synergy. They are also able to email school staff. I have received Synergy emails from students asking questions about our school.

California School Dashboard

The 2025 CA School Dashboard, the state's accountability system, was publicly released last month.

To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

For state measures, performance is based on two factors: Current year results, and whether results improved from the prior year. In simple terms, when you look at the results, we want our school to measure in the Green and Blue, and for the most part, we did an Awesome job.

I encourage families to check out the link below; it really gives A LOT of information about how our school is doing. I will review the Dashboard at our Coffee Klatch in January.

The following link should take you directly to Stone Lake's Dashboard:

EGUSD Incident Reporting System

Elk Grove Unified School District's online Incident Reporting System continues to be active, even during distance learning. EGUSD encourages students, parents and community members that "if you SEE something, or KNOW something, to SAY something." In addition to being able to tell a teacher or school official, file a hand-written report or inform the District's Safety and Security Department, parents and students in the communities of Elk Grove Unified now have access to an online incident reporting tool for reporting any one of these four types of incidents 24/7:

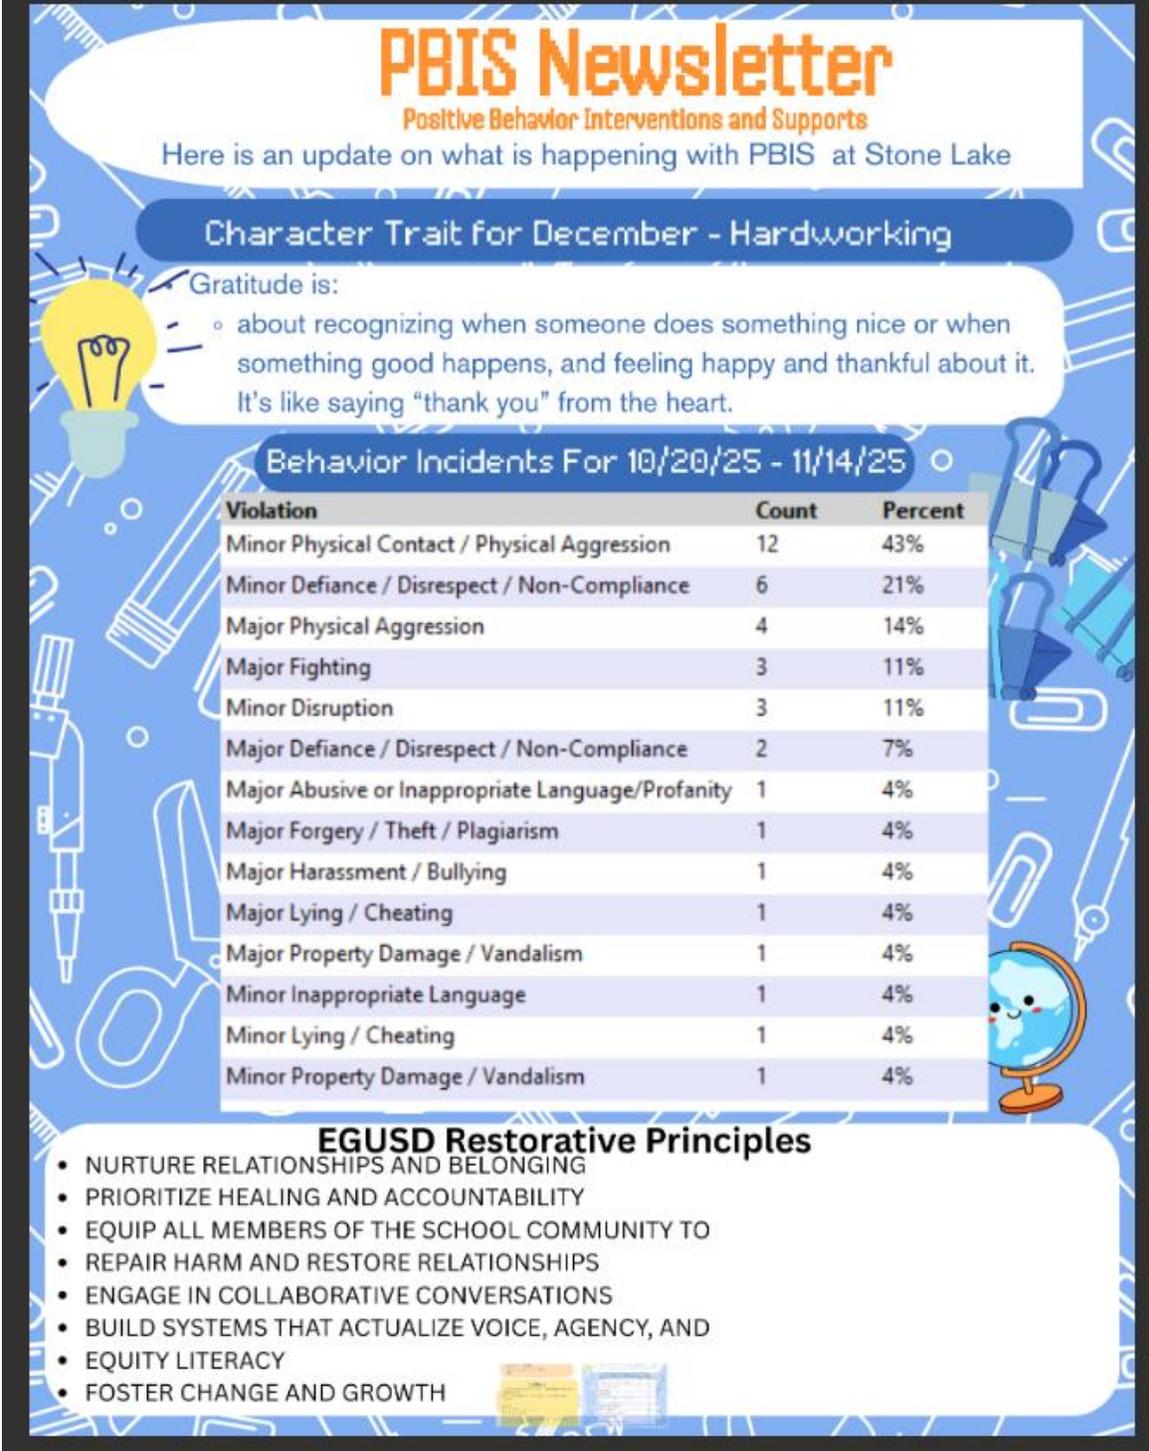

- Bullying - Bullying includes verbal, non-verbal, physical or emotional acts against another student either in person, via electronic device or online.
- Damage or Harm to School or Property - Damage or harm to school property includes intentional destruction to the school or school property in a harmful or malicious manner.
- Discrimination or Harassment - Discrimination or Harassment includes acts against another person on the basis of gender, sexual orientation, race, ethnicity, religion, age, or personal beliefs either in person, via electronic device or online.
- Harm to Self or Others - Harm includes intent or desire to injure yourself or others.

EGUSD is focused on providing multiple systems of support for the wellness of all students. In addition to the District's awareness campaign for helping students gain access to mental health services, this online incident reporting system is another form of support that District leaders and staff hope will help students maintain Healthy Body, Healthy Learning and Healthy Mind.

Student/Parent Chromebook Agreement

EGUSD Chromebook Agreement

EGUSD provides Chromebooks for all students in grades 1-12. Chromebooks have become critical for instruction and are to be treated like instructional materials. Students are to bring Chromebooks to and from school every day, just like books. It is the responsibility of the student to ensure the Chromebook is fully charged each day. As with any borrowed school property (textbook or sports equipment), the Chromebook checked out to the student is the responsibility of the legal parents/guardians and the student to ensure the safety and security of the device at home. In instances of non-normal wear and tear, the family may be charged for repairs and/or replacement. **The legal parents/guardians and the student are responsible to work with the school site to recover the cost of repair or replacement (BP 6163.4 and AR 5125.2). When directed by the school site or prior to unenrolling a student from the District, the Chromebook must be returned in similar condition to which it was received.**

Please carefully review the [Responsible Use and Care Guidelines](#) listed below:

Responsibility & Care of EGUSD Technology Equipment

- Make the Chromebook available to any teacher or school administrator for inspection.
- Report to a teacher or school administration any inappropriate communications while using the Chromebook.
- Keep the Chromebook free of any physical damage, writing, drawing, stickers, or non-EGUSD labels.
- Never leave the Chromebook in unsupervised areas, to prevent devices from being damaged or stolen.
- Always log out, turn off, and secure the Chromebook to protect student work/information.
- Never, under any circumstances, attempt to gain access to another student's accounts, files, and/or data.
- Never attempt to bypass District security, filters, and/or safeguards on the device.
- Only use a clean, dry, soft cloth to clean the screen and/or keyboard; no cleansers or liquids of any type.
- Never place liquid near the Chromebook to avoid causing accidental liquid damage.
- Use care when transporting the Chromebook in a bag or backpack to avoid damaging the Chromebook.

Legal Parent/Guardian's Responsibility for Using EGUSD Devices at Home

EGUSD has deployed Internet content filtering on district devices in the interest of keeping harmful and inappropriate content from being accessed. No Internet content filtering solution is perfect, at times it may be possible for users to access information that is intended for adults.

- Talk to your children about values and the standards they should follow on the use of the Internet, just as you do on the use of all media information sources such as television, telephones, movies, and radio.
- Regularly monitor your student's device use and Internet activity to ensure only appropriate content is being accessed.
- Ensure your child is maintaining the safety and security of the assigned EGUSD devices and using them responsibly.

Malfunction, Damage, Loss & Theft

- Any EGUSD issued devices that malfunction or are damaged must be immediately reported to the school site or the support number below for instructions, drop-off, repair, and loaner check-out. Students and legal parents/guardians will not be held responsible for any pre-existing damage (small scratches, minor dings, etc.).
- Any EGUSD issued devices that are lost or stolen must be immediately reported to the school site or the number below. Devices that are lost or stolen will result in an initial conversation with school staff, students, and/or parents/guardians. *Determination on continued access thereafter will be made on a case-by-case basis.*

Student Technology Equipment Support

Reach out via the information below if any EGUSD technology issued devices malfunction, become damaged, are lost, or stolen.

For any EGUSD curriculum support and learning opportunities, please work with your student's teacher.

- Email: stusupport@egUSD.net
- Phone: (916) 686-0245 (Note: This is a limited support number and you may need to leave a voicemail with a call back number.)

By receiving an EGUSD Chromebook, the legal parents/guardians and the student agree to the terms of this Chromebook Agreement. All EGUSD issued technology equipment is the property of EGUSD and all borrowers will follow the Student Technology Acceptable User Agreement (BP 6163.4 and E 6163.4).

Coffee Klatches

Stone Lake Administration will be holding meetings with parents to discuss what is happening at Stone Lake and provide all parents the opportunity to connect with the administrative team. We will continue to hold the meetings via Zoom and have them occur in the evening. This is a great forum for parents to ask questions and connect with other parents. Below is the schedule for this year's Coffee Klatches. Please mark your calendars for the dates and times that work for you.

PTO Corner

We hope everyone had a wonderful week off with family! Thanks to our wonderful Hawks community, we were able to donate over 1,000 pounds of food to the Elk Grove Food Bank. Thank you to everyone who donated!!!

The PTO is gearing up to celebrate the winter and holiday season with TWO events this month and one dinner night out!

First up is Bingo Night Friday 12/5. Registration is now open until Wed. 12/3! Space is limited, so sign up ASAP! SIGN UP HERE [👉 https://forms.gle/wXdEyLU46EPaBpWU9](https://forms.gle/wXdEyLU46EPaBpWU9)

Next, take the night off from cooking to support our school by having dinner at Chipotle (By Raley's) between 4-8pm - Be sure to show them the flyer or use the online order code!

Last but not least is our FREE Cookies and Cocoa with Santa event 12/17 right after school 2:15-3:30. Decorate cookies, have hot cocoa, and take your picture with Santa - all completely free!

6th Grade Science Camp-Last Year

Our 6th graders will once again be heading to the Marin Headlands for their sixth-grade trip, but this will be the last year for the trip here at Stone Lake.

There are multiple reasons that this will be the last year for the trip, but needless to say I know that there will be some disappointed future sixth graders.

Our future sixth grade students will get an amazing experience in sixth grade, with the team planning multiple day field trips instead of the one big overnight field trip.

Talking Points and Absences

We want to make reporting absences as easy as possible for families. This year parents are able to respond to my Talking Points thread to share a student absence. Doing this provides you the opportunity to report and share the absence, and it also allows the school to quickly input the absence, thus allowing the office to forgo calling home to verify the reason for the absence.

Attendance Matters

Please take a look at the following diagram to help guide you as we head towards the cold and flu season.

See You in Class!

- Have a runny nose or a little cough, but no other symptoms
- No fever (temperature of 100 or higher) for 24 hours without using fever-reducing medications
- No throwing up or diarrhea for 24 hours

Heading to class!
What should I know?

ATTENDANCE MATTERS!

Consistent Attendance
=
Academic Success!

Best to Stay Home.

- Temperature higher than 100 (with or without medicine)
- Persistent cough
- Colored drainage from the nose
- Throwing up or diarrhea
- Eyes are pink and crusty
- Instructed by the doctor to isolate from others

My student is staying home.
What should I do next?

- 1 Notify the school by phone or email.
If possible, let us know before 9am on the day of the absence.
- 2 Repeat this checklist every morning. We hope to see your student back soon!

Attendance Numbers

Attendance continues to be a focus at Stone Lake over the last few years. I have often discussed attendance during awards assemblies, Coffee Klatch meetings, or anytime I have a parent audience. In order for students to learn, they have to be in school! The start to this year does not look good so far.

Parents, we need your help. This is a nationwide epidemic that is impacting students. Students need to be at school when they are healthy and well. Plan vacations around the multiple long vacation times that year around schools provide your family.

Current Stone Lake Attendance Dashboard as of 12/1/25:

***Chronic absenteeism is defined as a student that misses 10% or more of their enrolled school days regardless of the reason, excused or not excused.**

Library Books at Stone Lake

I wanted to share with parents some information about our library.

Stone Lake families can access and search the exact books that we have in our library. This can be done by following these steps:

- 1. Go to the EGUSD website**
- 2. Click on “EGSUD Portal” at top of the page or access the portal from our website**
- 3. Login with your child’s login information**
- 4. Find and click on the Follett Catalog**
- 5. Browse by keywords, titles, author, etc.**
- 6. In the upper left-hand corner, one may click “Destiny Discover” to get to a page that randomly highlights 15 of the most recently added library books along with other highlighted books.**

I hope this information proves useful to both parents and students.
