

## **WCHS Principal Board Meeting 3-5-2026**

- Two seniors completed all graduation credit requirements in February.
- Students completed “Stop the Bleed” training and earned certification through Enloe Health, gaining valuable emergency response skills.
- The Bank Manager from Columbia Bank presented on personal finance, covering budgeting, saving, and financial responsibility.
- Monthly field trips to the Sacramento National Wildlife Refuge continue to provide hands-on learning about waterfowl, wildlife, and local ecosystems.
- Students will attend “Sol de México” at Laxson Auditorium on March 6.
- 11th grade students will begin CAASPP testing the week of March 17.
- Students will travel to Orland at the end of March to visit “The Wall That Heals,” the traveling Vietnam Veterans Memorial exhibit.
