

How to Make Elective Course Requests

Incoming 6th Grade Students – 2026/27 School Year

- 1) Log into your **Aeries Parent or Student Portal** account at <https://chicousd.aeries.net/student/LoginParent.aspx>

Chico Unified School District

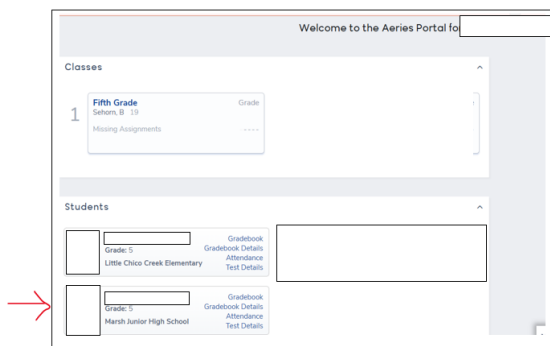

[New Account Help page](#)

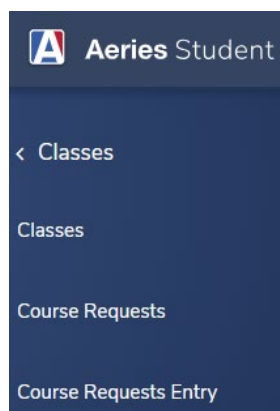

Note: Log in for the **Parent Portal** account is the parent’s email address. If you’re unsure of your password, simply click on **“Forgot Password”** to reset a new one.

Log in for the **Student Portal** account is the student’s first initial last initial and CUSD ID # (lunch # for the cafeteria). Example: js12345@chicousd.net). The password is the student’s birthdate in the following format: YRMODY (Example: June 1, 2015 would be 150601).

- 2) Be sure you go to **Change Student** and select your student’s name **PRE-ENROLLED – Grd 6 – Marsh**.

- 3) Click on **Classes**, then **“Course Requests Entry”** from the dropdown menu.

4) Look **Filter Courses** and **Sbj Area** and filter for **Electives**. Click on the **SEARCH** button for available electives:

5) Click on the course you prefer as your 1st choice and a pop-up will appear – click on **Request Primary**.

6) Then click on another course you prefer as your 2nd choice and a pop-up will appear to **Request Alternate**.

Please DO NOT add more than one alternate choice as additional requests affects your preferences.
