

CHaSE Standing Committee Meeting
January 12, 2024

1. Called to order, quorum met
2. Notes from 1/5/24 reviewed and approved.
3. Public meetings for maturation lessons:
 - a. January 23 and 24 and will not include abuse prevention TEKS
 - b. Parents can attend the parent preview but Marsh Media doesn't allow widespread streaming, so there will need to be a plan for parents to view when they want to, due to Texas law.
 - c. Plan to show Puberty a girls/boys journey and straight talk girls/boys and 5 minutes of A Baby is Born.
 - d. We need to make sure parents can see both 4th and 5th previews, so we don't want to have 2 meetings simultaneously. Recording both for later viewing will get complicated due to copyright of videos.
 - e. Linktree with Google form for feedback, TEKS for 4th/5th, maybe transcripts/summary, copy of slides/presentation, menstruation slides
4. Shaping an official recommendation
 - a. For 5th grade, the recommendation is Straight Talk girls/boys
5. Committee watched "Meet the New You boys/girls" together as a possible option for 4th grade
6. Plan for next week:
 - a. Wednesday: standing committees as scheduled for bylaws review
 - b. Friday: our normal weekly meeting for continued maturation discussion
7. Adjourned
8. Notes submitted 1/12/2024
