

Pacific Grove High School: AP Testing (2026-2027)

Request to Waive Approved College Board Accommodations

Waiver Deadline: Friday, March 5, 2027

All students with documented IEP and 504 accommodations at PGHS are encouraged to request available similar accommodations from the College Board to use during AP testing. These requests are all processed by Ms. Cadigan, the PGHS Outreach Counselor, and are approved by the College Board on a case-by-case basis. Without a request for specific College Board-approved accommodations (not just PGHS IEP/504 approvals), students will not be permitted to receive any accommodations during AP testing.

If a student determines they **no longer** want to use any or all of their College Board-approved accommodations during their AP exams, the student can use this form to request to have any or all of those accommodations be waived. For example, a student who normally receives extended time for writing on-demand essays by hand in class may decide they do not need to use similar extended time when testing on a computer.

To opt out of using any or all of their College Board-approved accommodations, a student must:

1. Complete this form stating their intent to waive their approved accommodations, and specifying which accommodation(s) the student wants to waive and for which digital AP Exam subject(s).
2. Students under age 18 must have their parent or guardian sign this form acknowledging this waiver decision. Students 18 and over do not need a parent/guardian signature.
