

# Locating your Student's ID# in Parent Connect

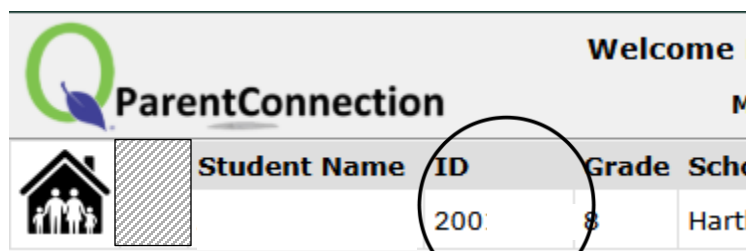

After logging into Parent Connect, **select each student** you have enrolled at Hartland Schools to see each student ID#. If you only have one student enrolled, you can skip to the next example.

**Please Select a Student**

Once you login to Parent Connect, you will find the **8-digit student ID# next to your student's name, starting with "200"**. You will need this number when you are setting up your K-12 transportation app.

\*For assistance logging into parent connect, please email: [pc@hartlandschools.us](mailto:pc@hartlandschools.us)
