STARTING 8/19/25

COME JOIN US!

This class is for students who are interested in singing. In this semester long class, students will have fun learning the basics of singing/vocal technique. Students will learn to sing folk songs from around the world, as well as rhythmic patterns, and the cultural/historic context of the songs. Students are expected to be able to focus and actively participate in the class for the duration of 60 min. We are excited to sing around the world with you!
