

8/4/26 -Food Service Report – Mike Bottarini, Director of Food Services.

Breakfast expansion grant update-

We were notified that our grant proposal for Murdock was accepted. We will be receiving 15,000 dollars in the next 4-6 weeks.

Summer Program completed 7/29/26

Summer program was a huge success. We ended up serving 49,947 meals in 8 weeks.

We exceeded our total meals served last summer by almost 12,000 meals.

Thank you to the Summer FS team, I appreciate all of your efforts and hard work and I am sure the community does as well. It has been a wonderful experience and you all have done an amazing job.

Chef Ann-

Reminder : On 8/4/26 we will be having a professional development day with a Chef from the program. They will cover culinary basics such as knife skills, kitchen math, recipe reading and scaling along with mise en place and scratch cooking techniques. We will also be doing equipment training on all items in the kitchen so all staff feel comfortable using the technology we have.

Claims-

June Summer claim submitted total --\$94,895.87

July/August claim submitted 8/3 – \$149,058.57

Welcome back to all staff, let's have another amazing year!
