## 2026-2027 REGISTRATION

It's already time for registration for the 2026-2027 school year. All current students will retain their site-class or homeschool position for the next school year. Enrollment information/Student Emergency Card forms were sent home last week. Whether your student is returning to CCCS next year or not, please fill out the Student Emergency Card and return to the office so we can continue to have the most up-to-date information for our students. New students wishing to enroll in CCCS for the 2026-2027 school year must fill out an Application for Admission. **Siblings of current CCCS students must submit an application after March 1st to be considered for admittance .** The applications can be picked up in the office or downloaded from our website. If the number of new applicants for a class exceeds the number of spots available, there will be a public lottery held in May to determine our waiting list. Applicants wishing to be part of the lottery must have their applications turned in by **April 30, 2026.** For more information, please see Roxanne in the school office.

Thank you M4 Construction for donating your time
