Attendance

Positive attendance is a prerequisite to satisfactory job performance. Class time missed cannot be fully replaced with make-up assignments. Students who are absent, for any reason, more than 10% of the time should not expect to pass the class.

Absence Verification

Reasons for student absences are to be verified by a phone call (916) 933-6980, ext. 3080, ext. 3070, or a note brought to the Attendance Office or by responding to the Parent Square notice **within 48 hours of the absence**. Parents/guardians, doctors, or school officials may verify absences. **The school may request additional verification when deemed necessary.** Absence verification should include the following information: **first and last name of the student, date(s) absent, reason for the absence, and the name and relationship of the person verifying the absence.**

Excused Absence:

- Illness
- Injury
- Medical/Dental appointments

Other absences, ***with prior approval***, include:

- Required Court appearance
- Funeral
- Religious holiday/ceremony/retreat
- Prospective College visits

Unexcused Absences, include:

- Working
- Vacation
- Baby-sitting
- Personal business
- Unverified illness

Consequences for violations will be administered. Parents may not excuse students to leave the classroom except for a valid appointment.

Early Dismissal/Late Arrival

If your student needs to be dismissed early, please send a note with your student using his/her **NAME, GRADE, TIME, DATE, and REASON** for arrival/dismissal.

Checking In: Upon arrival, your student needs to check in at the attendance office for a pass to class.

Checking Out: When checking out, your student needs to come to the Attendance Office with his/her note, before school, during Nutrition Break, or at lunch to obtain a pass

Leaving School

Every student must check out with the Attendance Office before leaving school for any reason.

Failure to check out properly will result in a referral with an assigned detention. After obtaining a pass, the student is considered to be “checked out” and can then leave campus at the time shown on the pass. Parents do not need to come to the Attendance Office if they have called or sent the student with a note. If a student feels ill they should go to the Health office to be evaluated. The site Health Technician will make arrangements for the student to go home if appropriate. If a student leaves campus without checking out with the attendance office, the parent/guardian will be unable to excuse the absence after the fact.

Emergency Checkout

For an emergency checkout, please call the Attendance Office (916) 933-6980 ext. 3080.

Excused Absences

Two (2) school days will be allowed to make up each day's excused absence. Students absent for school-sponsored activities may be required by the teacher to complete assignments before the absence. A student absent on the day of a test may be required to take the test on the day of his/her return. If the absence falls on the day an assignment is due, and the student had prior knowledge of the assignment, the student may be required to submit that assignment upon the day of his/her return. If sufficient make-up time is not possible prior to the grading period, the teacher may issue an "I" (Incomplete) grade until such time as the work is completed. A maximum of four weeks after the grading period is allowed for such make-up work for Incomplete Grades. The student is responsible for arranging the makeup work. Families are encouraged to contact teachers via e-mail for specifics regarding make-up work.

Unexcused Absences: (BP 5113.1)

If a student misses class for an unexcused reason and does not subsequently turn in homework, take a test or fulfill another class requirement which he/she missed upon returning from the absence, the teacher may lower the student's grade for nonperformance.

When a student has repeated absences for unexcused reasons, the student will be considered a "habitual truant". This may result in a referral to the Oak Ridge Student Attendance Review Team (SART). Continued unexcused absences may result in a referral to the Student Attendance Review Board (SARB), or the filing of an application for petition with the El Dorado County Probation Department, or a complaint may be filed against the parent in the Justice Court.

Class Cuts

Teachers are not required to provide work or accept late work for class cuts. If a student is absent from class without parent verification within 48 hours then the student will receive an hour detention for each class period missed. Parents will receive a notification and the student will be issued 1-3 lunch detentions on the first documented cut/truancy. On the second documented cut/truancy the parent will receive a notification and the student will be issued a Saturday School. If a student has further cuts/truancies the parent will receive notifications and a meeting with Dean/ Parent/Guardian and student will be scheduled. A SART contract may be initiated.

Excessive Excused Absences

After a student reaches nine excused absences and/or reaches excused absences that equal 10% of the semester, parents will lose the ability to excuse their student without a medical note and the absence will be marked as unexcused.

Home & Hospital Instruction

Students who will be unable to attend school due to an illness or accident for an extended period of time and have a medical note from a physician (usually in excess of two weeks) should contact the Counseling Department to discuss Home and Hospital Instruction.

Short Term ISP

Students and/or parents can request short term independent study for prearranged absences longer than 3 days and no more than 15 total days for the school year. Requests must be made through the attendance office at least 10 school days prior to the first day of the absence. Short term independent study may not be requested for the first two weeks of school or the last two weeks of school.

Tardy Policy

When a student reaches **5 tardies** across classes in a SEMESTER, the student will be assigned one lunch detention and parent will be notified via phone call/email

When a student reaches **10 tardies** across all classes in a SEMESTER, the student will be assigned 3 lunch detentions and parent will be notified via phone call/email

When a student reaches **15 tardies** across all classes in a SEMESTER, the student will participate in an admin/parent conference & will be assigned Saturday School

Continued tardiness will result in progressive disciplinary action for defiance and students will be assigned Social Probation & may be referred to the Student Attendance Review Team (SART) and/or Student Attendance Review Board (SARB).

Advisory/Flex Period

Students will be assigned an Advisory teacher at the beginning of their freshman year that they may keep for all four years that they attend Oak Ridge High School. Advisory periods are scheduled throughout the school year and will be utilized to provide important information to students, during rally days and for state testing. Flex is the intervention period in which students can receive extra academic support, make up tests and assignments as needed. Flex periods are scheduled on Tuesdays, Wednesdays, Thursdays and Fridays. Students can choose the teacher and/or subject area that they need support in by signing up in the RTI scheduling app 24 hours prior to the flex period. Students who don't sign up by the time deadline could receive disciplinary consequences or will be placed by an administrator/intervention coordinator into a tutoring flex period. A teacher may also pull a student who needs extra support into their flex class.

Four Year Educational Plan

The Four Year Educational Plan is designed to help students and parents plan a successful high school education program. The plan can record graduation requirements, competency results, units earned, educational plans, career path choices, and a projected four-year course of study during high school. Counselors meet with all students through English and Social Science classes to discuss high school graduation and post-secondary options. Please use the QR code below to access the Four Year Educational Plan that corresponds with your student's graduation year.

Activities and Athletics

Student Government

The purpose of student government at Oak Ridge High School is to direct and coordinate the activities of the Associated Student Body and to promote the interests and uphold the standards of Oak Ridge High School.

Class Officers

Each of the four classes will elect students to serve as class officers: President, and Vice President. These positions will ensure equitable representation for important votes on issues that are vital to each class. The eligibility for these officers is the same as for the Associated Student Body Offices except that each class officer must be a member of the class which he/she hopes to represent, and the required grade point average for all officers is 3.0.

Eligibility for Athletics

Minimum academic requirements for participation in all extra- curricular activities established by the CIF are summarized as follows:

1. Students in grades 9 (other than first quarter), 10, 11, and 12 shall have a grade point average of C (2.0) at quarter or semester grading period immediately preceding and/or during the extra-curricular activity season.
2. All 9th grade students shall be eligible to participate in extra-curricular activities until their grades are reviewed at the end of the first quarter.
3. Students must be currently enrolled in at least 20 semester credits of work.
4. A transfer student is eligible to participate if he/she was eligible at his/her previous school and by CIF or other organization requirements.

Further details are available from the Director of Athletics.

5. Students must have all fines paid and all disciplinary consequences served before and during the season.

Sportsmanship Expectations

Oak Ridge and all schools belonging to the CIF are committed to providing a sportsmanlike environment for students, coaches and spectators. To that end, the CIF Federated Council has adopted the following sportsmanship and crowd control recommendations. Each member school has committed itself to the following:

- **Positive** participation & cheering is the key to good sportsmanship
- There will be NO negative signs or posters at games/events
- No berating of opposing team players, officials or fans
- No obscene cheers or gestures

High school athletics should be fun for everyone, including players, officials and fans.

Please support the Trojans, but under no circumstances, is any Oak Ridge student to act disrespectfully or derogatorily to any adult (including coaches, game officials, administrators, teachers, parents) or students, including players, from the opposing team or school. While many of our extra or co-curricular events are family friendly we would encourage spectators to immediately report any inappropriate and/or questionable behaviors to supervising staff members.

Students **may** not be permitted to attend extra-curricular activities if they have unserved detentions, Saturday School, or fines.

Student Identification (ID) Cards

ID pictures of all students are taken in August. All student ID cards are now digital. Students have their student ID card on the Minga app. Students have to present their ID card to any staff member when requested. Their digital ID card will be required to get into certain events such as dances.

Minga/Digital Hall Passes

Oak Ridge uses digital hall passes. Students can access the digital hall pass through the Minga Digital Hall Pass app. Students check out of class through the Minga system that can be initiated through a student device or classroom device. No students can be out of class unless they have their teacher's permission and they have checked out in this system. Students who are out of class without either their teacher's permission and checking out in the digital hall pass system may receive discipline consequences. Students are expected to leave their cell phones in the classroom while on a bathroom hall pass. Students may have their cell phones confiscated and/or receive a discipline referral if they are out of class on a hall pass with their phones.

Dress Code Policy

Dress Code Philosophy:

Oak Ridge High School's student dress code supports equitable educational access and is written in a manner that does not reinforce stereotypes. To ensure effective and equitable enforcement of this dress code, school staff shall enforce the dress code consistently and in a manner that does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size. While it is the school's responsibility to ensure that attire does not interfere with the health and safety of students, the primary responsibility for a student's attire resides with the student and parents or guardians.

Basic Principles:

- Clothing must be worn in a way such that genitals, buttocks, and nipples are covered. Garments may not be sheer.
- Clothing should cover, at minimum, all areas that would be covered by undergarments from all angles. Undergarments are not a substitute for clothing.
- Clothes that depict alcohol, tobacco, or other drugs may not be worn at any time.
- Clothing with inappropriate images (including profanity, hate speech and pornography) may not be worn at any time.
- Clothing that poses a safety risk to others may not be worn at any time (spikes, etc.).
- Any item that obscures the face or ears (except as a religious observance or as personal protective equipment (PPE) may not be worn at any time.
- Swimwear may only be worn in physical education classes (swim unit) and as part of an athletic uniform (swim/water polo).
- Footwear is required at all times.
- Dress code is enforced at all dances, athletic events, and all school activities.

Dress Code Purpose:

- Establish a safe learning environment in classes where protective or supportive clothing is needed
- Allow students to wear comfortable clothing of their choice that expresses their self-identified gender
- Allow students to wear religious attire without fear of discipline or discrimination
- Prevent students from wearing clothing or accessories with offensive images or language (including profanity, hate speech, and pornography), that denote, suggest, display or reference alcohol, drugs, or related paraphernalia or other illegal conduct or activities, or that can reasonably be construed as being or including content that is racist, lewd, vulgar or obscene

- Ensure that all students are treated equitably regardless of race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

Enforcement:

- Students shall be dress coded in private, one-on-one conversations or by use of an online referral form to respect the privacy and dignity of the individual
- Students will be expected to change into school appropriate attire before returning to class.
- Dress code violations and referrals should take as little time away as possible from a student's instructional time
 - (Dress code violations and enforcement should not result in unnecessary barriers to school attendance)
- Students should not be shamed or required to display their body in front of others (students, parents, or staff) in school. "Shaming" includes, but is not limited to:
 - Kneeling or bending over to check attire fit;
 - Measuring straps or skirt/short length
 - Asking student to account for their attire in the classroom or in hallways in front of others
 - Call out students in spaces about perceived dress code violations in front of others.
 - Accusing students of "distracting" other students with their clothing

- Be removed from the event without refund
- In addition to school consequences, you will not be allowed to attend another like game or event, at home or away, for the rest of the season, or for the next like-event, as deemed appropriate by Oak Ridge School Administration.

Grade Appeal Policy for Final Grades

Communication with the Instructor

1. Any request for a grade change must first be made in writing to the classroom teacher who assigned the grade. A parent must make the request to the teacher within the first four weeks of the following semester. The parent must present any relevant information in writing to support their request.
2. If the teacher agrees that evidence shows one of the four conditions above has been met, the teacher shall notify the parents in writing of the new grade and the change shall be made in the student's official records.
3. If the teacher does not agree the evidence provided warrants a change to the grade, the teacher shall notify the parent and the appropriate Administrator of the teacher's decision, in writing. The teacher shall forward a copy of the written request and decision to the principal at the same time as the decision is provided to the parent.

Communication with the Appropriate Administrator
