## 13.0 Business/Action Items

### 13.1 **PULLED BY STAFF: Add Program Specialist to Management Salary Schedule**

Draft Management Salary Schedule

Staff recommends that Program Specialist positions (2) be added to the Management Salary Schedule. Currently these positions reside on the Supervisory Salary Schedule along with other classified positions. Both Program Specialist positions are staffed with certificated staff members and the positions oversee programs/positions related to the Special Education Department. This move will not have a financial impact and the position will still perform duties on days previously scheduled. This change is being recommended to place the positions on the salary schedule that best matches the work being performed.

**Recommendation:** Add Program Specialist position to Management Salary Schedule and Abolish Program Specialist position from Supervisory Salary Schedule.

### 13.2 **Resolution 25/26-2: Ongoing Major Maintenance Plan (RMA requirement)**
