	Board Policy 0450 - Comprehensive Safety Plan Policy updated in conjunction with the accompanying administrative regulation.	
	Administrative Regulation 0450 - Comprehensive Safety Plan Regulation updated to reflect NEW LAW (SB 848, 2025) which (1) expands the list of persons who may cooperate in the review of the comprehensive school safety plan (CSSP) to include the district's public entity risk pool joint powers authority or insurance provider, (2) adds child neglect to the reporting procedures required to be included in the CSSP, (3) requires, when the CSSP is next reviewed and updated, or by no later than July 1, 2026, that the CSSP includes procedures specifically designed to address the supervision and protection of children from child abuse or neglect or sex offenses, (4) adds a sex offense that has occurred on campus to acts that the principal is authorized to notify parents/guardians and employees of, and (5) expands the definition of "violent crime." Additionally, regulation updated to reflect NEW LAW (SB 98, 2025) , which requires, when a CSPP is next reviewed and updated, but no later than March 1, 2026, to include procedures specifically designed to notify parents/guardians and district staff when the school confirms the presence of immigration enforcement on a school site. In addition, regulation updated to reflect NEW LAW (AB 962, 2025) which authorizes districts to prohibit a student from possessing or using a smartphone in the case of an emergency or in response to a perceived threat of danger, if the prohibition is explicitly addressed in the district's CSSP.	

Board Policy 1340 - Access to District Records
Policy reviewed in conjunction with the accompanying administrative regulation.

Administrative Regulation 1340 - Access to District Records
Regulation updated to reflect **NEW LAW (AB 1004, 2025)** which provides that any record that contains financial information provided by an Indian tribe to a public agency as a condition of or requirement for receiving financial assistance is confidential, not considered to be a public record, and not be open to public inspection. Additionally, regulation updated to provide that an individual's immigration status may only be disclosed in accordance with Board Policy/Administrative Regulation 1445 - Response to Immigration Enforcement. In addition, regulation updated to reflect **NEW LAW (AB 370, 2025)** which includes, in the definition of "unusual circumstances" whereby the Superintendent or designee may extend the 10-day limit to initially respond to a request for public records, (1) the inability to access electronic servers or systems due to a cyberattack, but only until the district regains its ability to search for and obtain electronic records, and (2) the need to search for, collect, and examine records when a state of emergency, in addition to currently affecting the district's ability to timely respond, directly affects this ability.

First and Final Reading: Policies, Regulations, and Exhibits

NEW - Board Policy 1445 - Response to Immigration Enforcement

New policy includes a significant amount of material that was formerly in Board Policy/Administrative Regulation 5145.13 - Response to Immigration Enforcement, and addresses a district's response to immigration enforcement including **NEW LAW (AB 495, 2025)** which requires districts to update their policies by March 1, 2026, with language that is equivalent to the model policy language developed by the California Attorney General in, "Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Requests for Access and Information for Immigration Enforcement Purposes." Additionally, new policy includes list of actions that district staff are prohibited from undertaking, unless an exception applies, related to (1) citizenship or immigration status of a student or the student's family members, (2) education records of or any information about a student or a student's family or household, (3) personnel records, personal information, or any other confidential information of an employee, and (4) permission to an officer or employee of an agency conducting immigration enforcement to enter a school bus or other transportation provided by the district, a nonpublic area of any district property or facility, or a nonpublic area where any district-sponsored program or activity is occurring. In addition, new policy reiterates the prohibition against obstructing, interfering with, or otherwise impeding an officer or employee of an agency conducting immigration enforcement who nonetheless enters district-provided transportation, a nonpublic area of any district property or facility, or a nonpublic area where any district-sponsored program or activity is occurring. New policy also includes that (1) the Superintendent or designee is required to report to the Governing Board any requests by an officer or employee of an agency conducting certain immigration enforcement actions, (2) students may not be denied equal rights and opportunities, or be subjected to unlawful discrimination, harassment, intimidation, or bullying in the district's programs and activities on the basis of the student's or family's immigration status or for the refusal to provide information related to the student's or family's immigration status, (3) resources and data collected by the district are prohibited from being used to compile a list, registry, or database of individuals based on national origin, immigration status, religion, or other category of individual characteristics protected against unlawful discrimination, and (4) the Superintendent or designee is required to provide parents/guardians with specified information and notifications related to immigration status or religious beliefs and their rights related to immigration enforcement. Additionally, new policy provides that complaints alleging discrimination, harassment, intimidation, and bullying based on actual or perceived immigration status be filed in accordance with Board Policy/Administrative Regulation 1312.3 - Uniform Complaint Procedures and that the Superintendent or designee provide to the California Department of Education copies of this policy, any associated administrative regulation, and any other Board policies and administrative regulations required by Education Code 234.7.

First and Final Reading: Policies, Regulations, and Exhibits

NEW - Administrative Regulation 1445 - Response to Immigration Enforcement

Additionally, new regulation provides direction on responding to (1) requests by an officer or employee of an agency conducting immigration enforcement for information about a student, a student's family or household, or a district employee, (2) requests by an officer or employee of an agency conducting immigration enforcement for access to a student or permission to enter a school bus, any other transportation provided by the district, a nonpublic area of any district property or facility, or a nonpublic area where any district-sponsored program or activity is occurring, (3) immigration enforcement when any officer or employee of an agency conducting immigration enforcement is actually or imminently present on district property, and (4) instances when a student's parent/guardian has been detained by an agency conducting immigration enforcement or deported.

Administrative Regulation 5125 - Student Records

Regulation updated to define "district officials and employees," and, for accuracy, to use this term, rather than "school officials and employees." Additionally, regulation updated to reference **NEW LAW (AB 495, 2025)** which (1) requires districts to update their policies by March 1, 2026, with language that is equivalent to the model policy language developed by the California Attorney General in, "Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Requests for Access and Information for Immigration Enforcement Purposes," and (2) changes the definition of "relative", for purposes of a Caregiver's Authorization Affidavit, to include any adult who is related to the child by blood, adoption, or affinity within the fifth degree of kinship, including all stepparents, stepsiblings, and all relatives whose status is preceded by the words "great," "great-great," or "grand." In addition, regulation updated to (1) add that a request for student records by an officer or employee of an agency conducting immigration enforcement be denied except in accordance with Board Policy/Administrative Regulation 1445 - Response to Immigration Enforcement, and (2) clarify that the annual parent/guardian notification includes a statement that a student's citizenship status, immigration status, place of birth, or any other information indicating national origin will only be released in accordance with Board Policy/Administrative Regulation 1445 - Response to Immigration Enforcement.
