LAKE SHASTA CAVERNS FIELD TRIP

Join us on Friday, September 25th for an underground adventure! We have a limited reservation, so we will be accepting reservations on a first come - first served basis. A National Natural Landmark, Lake Shasta Caverns features many types of cave formations, and quite a few rooms in the caverns. A knowledgeable guide will lead our group across the lake and through the caves. The cave tour has a lot of stair climbing—over 600 steps, so come prepared for some exercise! After our tour, there is an area for a picnic lunch.

More information and the permission slips are attached to this newsletter.

This event is for our students and their immediate family. The cost is \$15 per student and \$30 per adult. **The permission slips and payment are due Thursday, September 24th.** Make sure to sign up soon, since this trip will probably fill up quickly.

WHISKEYTOWN FIELD TRIP

We still have spots open for the Kayak Tour Field Trip at Whiskeytown on Friday, October 2nd at 9am and 10:45am. There is no charge for this field trip and free parking passes are available at the office. Permission slips are located outside the office.
