Portfolio	PSAT, SAT, ACT	Industry Certification	4 Pathway Courses	Portfolio
	Portfolio	Portfolio	Industry Certification or work experience Portfolio	Individualized academic and career plan which could not be met through other pathways

- 1) Drop the current Career Ed. course (5 credits) requirement and move the health requirement (5 credits) into the PE department. PE teachers are agreeable. 2) Increase 1 required year of Spanish to 2 years. This could increase the number of students who may become UC/CSU ready. 3) Require all students to complete a 2-3 year CTE pathway.
