(34 CFR 99.3)

Directory information also does not include the citizenship status, immigration status, place of birth, or any other information indicating national origin of a student or the student's family member.

Notification to Parents/Guardians

At the beginning of each school year, all parents/guardians shall be notified as to the categories of directory information the district plans to release and the recipients of the information. Additionally, the notification shall also inform parents/guardians of their right to refuse to let the district designate any or all types of information about their student as directory information, how to refuse release of directory information about their student, and the period of time within which a parent/guardian must notify the district in writing that the parent/guardian does not want a certain category of information about their student designated as directory information.
