

North East Independent School District

2020 - 2021
District Instructional Improvement Plan

October 7, 2020

Texas Education Code, Chapter 11

Planning and Decision Making

Sec. 11.251. PLANNING AND DECISION-MAKING PROCESS

- a. The board of trustees of each independent school district shall ensure that a district improvement plan and improvement plans for each campus are developed, reviewed, and revised annually for the purpose of improving the performance of all students. The board shall annually approve district and campus performance objectives and shall ensure that the district and campus plans:
 - (1) are mutually supportive to accomplish the identified objectives; and
 - (2) at a minimum, support the state goals and objectives under Chapter 4.
- b. The board shall adopt a policy to establish a district- and campus-level planning and decision-making process that will involve the professional staff of the district, parents, and community members in establishing and reviewing the district's and campuses' educational plans, goals, performance objectives, and major classroom instructional programs (District Educational Improvement Committee - D.E.I.C; Campus Improvement Committee - C.I.C)

Defined by Division

** TEA submitted a federal assessment and accountability waiver on March 24, 2020, and will issue labels indicating Not Rated: Declared State of Disaster for 2020 to recognize that the closure of schools during the state's testing window inhibited the ability of the state to accurately measure district and campus performance. Furthermore, as with other Not Rated labels, when a district or campus receives a Not Rated: Declared State of Disaster label, the district or campus may continue to implement the previously developed instructional improvement plan for the 2020-2021 school year.*

Ongoing monitoring of District Instructional Improvement Plan will be completed by all responsible persons a minimum of one time per semester to determine if strategies are resulting in intended improvement of student performance.
