

Parent Volunteer Opportunities at Northwood Elementary

Hello Northwood Families,

I hope you all had a wonderful three-day weekend. This is a short message about volunteer opportunities this year. Parenting a student in Elementary School is a special time that goes by too quickly... I want to encourage you to make the best of it by volunteering this year to support your school, and there are many ways to do that.

We are looking for one parent representative for our School Site Council. The School Site Council is an oversight committee that includes parents and staff. This is a great way to learn a lot about Northwood and to give input on our current and future programs. We meet on the third Monday of the month at 3:30pm (total of five or six meetings). If you are interested in participating in our School Site Council, please email me at ewitter@busd.net.

We are hoping that all families will join our Parent Teacher Association. Our PTA does a lot for our students, and they have many ways that you can volunteer and support our school. Here is the [PTA Membership Flier](#). Our first meeting for this year will happen this Thursday, 9/4, right after the Flag Assembly in the morning on the blacktop.

There can also be opportunities to volunteer in your student's classroom. If you are interested in being a classroom volunteer, please stop by the office to complete a Volunteer Packet. The Volunteer Packet is required for all regular volunteers.

Yours respectfully,

Eric Witter, principal
