Admission requirements:

1. Students will be considered for admission without regard to race, ethnicity, national origin, gender, economic status, religion, disability or achievement level.
2. Students must agree to follow attendance and behavioral standards outlined in the Student/Parent Handbook.
3. Parents/guardians must guarantee that the information represented in the application and signed Parent/Student contract is accurate. If the information is misrepresented the child will be subject to dismissal.
4. Students entering RPCS must be in good standing at their previous school.
5. Students who have been expelled by a previous district or who are on a suspended expulsion will not be accepted for admittance by RPCS. Students who are waiting for an expulsion hearing will not be admitted until the student has been cleared.

9. Students must be committed to work to the best of their ability.
10. Parents/guardians or adult family members of each student's family are expected to volunteer at least 2 hours each month per household (20 hours/year)
 - Volunteer hours will be calculated for each household and must be earned by the parents/guardians or adult family members of the student's family.
 - All families should complete 10 volunteer hours by winter break.

Lottery Process

All applicants who are exercising a preference must submit their applications by the first lottery deadline.

Parents and students formally apply for a place in the lottery by submitting a completed validated application. Applications are validated by attending an orientation meeting during which the academic program, RPCS philosophy, mission, parent requirements, admission policy and lottery procedures will be explained in further detail and by submitting a copy of the child's current report card with attendance history by the Wednesday before the lottery. An application review committee will screen applications and qualifying applications will be included in the lottery.

If the number of applications for admission to a grade exceeds the number of available slots in that grade, the spaces for that grade will be filled by a random lottery. Each lottery will be held two weeks after each enrollment deadline (or the first Monday school is back in session if it falls during a holiday). The second lottery will only be held for any grade levels where there is still capacity. If all grade levels are at capacity, the second lottery will not be held. Those not chosen for admission will be placed on a ranked waiting list based upon the order in which they were drawn. This ranked waiting list will be used to fill future vacancies. This lottery will be held in a public setting. Lotteries will be conducted with the following admissions preferences being given:

- 1) children of RPCS school personnel, including Board Members;
- 2) siblings of students already attending the school;
- 3) students that are on the waiting list from previous lotteries;
- 4) students residing within the territorial jurisdiction of GUSD (as required in education code section 47605(d)(2)(b); and
- 5) all others;

After the lottery, families will receive their official enrollment forms. Currently-enrolled students will not participate in the random drawing, as they are automatically reserved a space for the following year.
