## **Share your thoughts on access to CTE and Community College Programming**

As part of a countywide effort (all schools) led by the Livingston Educational Service Agency (LESA) in partnership with Hanover research, we are conducting a survey to understand perceptions and experiences with Career and Technical Education (CTE) and access to community college in Livingston County.

Your input is important – the survey will help LESA identify ways to improve access to opportunities for students' educational success.

The survey is confidential, takes 6-8 minutes to complete, and your honest feedback will help shape future programs and resources.

**Please take a moment to complete the survey here:** [https://hanover-research.qualtrics.com/jfe/form/SV\\_8pn6r3fv5gy6AdM](https://hanover-research.qualtrics.com/jfe/form/SV_8pn6r3fv5gy6AdM)

The survey is open **February 16, 2026** through **February 27, 2026**.

Please feel free to share this survey with neighbors and friends who may not receive this Weekly Update. Everyone's opinion counts.

## **Reminder: School of Choice Now Open**

This past weekend, 53 families registered for kindergarten for the 2026-27 school year. Please share with family, friends, work acquaintances, etc. that Hartland Schools is open for enrollment for school of choice students for the fall of 2026. It is understood that transportation to and from school is the responsibility of all school of choice parents. The district will try to provide bus transportation at the closest active in-district bus stop to the residence of school of choice students, and where seats are available on the bus. This will require school of choice parents to work with transportation personnel, as district bus transportation is not automatically assigned. The phone number is 810-626-2175. ## Middle School Students Support Orangutan's

The 7th Grade science classes with Ms. Strandbergh, have been learning about ecosystems this past month. Specifically, they have learned about the Orangutan and how habitat loss is causing a severe decline in their population numbers. The students were moved by this information and requested to do a fundraiser to help them. The students organized most of this event and all the advertising. They determined what type of baked goods would be sold as well. The bake sale ran from February 11-13 and we were able to raise \$521.50! This money will be donated to the Orangutan Outreach program which will go directly to the Orangutans in Sumatra and Borneo. We are very proud at Ore Creek Middle School of our students' drive to make a change in the world and their compassion for other species and their success story. Thank you for all your support at home for making this mission possible!

## Valentine Serenades

Hartland High School had another successful year of Valentine Serenades! Each year, Student Council and the choir program partner to create a one-of-a-kind Valentine's experience that is truly unique to HHS. It's a fun tradition that students, staff, and parents look forward to every year.

A huge thank you to Hartland Kroger for generously donating all the roses used this year!

## Upcoming Parent Engagement Sessions

I am excited to share the work that will help build momentum toward our second annual Parent Summit on Saturday, March 21, 2026. I wanted to share **three upcoming Parent Engagement Sessions** that we are hosting in partnership with *FlexTech Brighton*, *Community Bible Church*, and *LESA*. These sessions are open to all families who have school-aged children.

Meals will be provided at all three events. Daycare will be provided for families who register ahead of time.

Please click on the links below to learn more information:
