## **II. BACKGROUND**

El Dorado Union High School District ("District") is a public 9-12th grade school district located in the southern half of El Dorado County. The District services approximately 6,500 students across six schools: El Dorado High School, Independence (Continuation) High School, Oak Ridge High School, Ponderosa High School, Union Mine High School, and Pacific Crest Academy.

Briefly stated, the District is seeking experienced and proven firms to provide construction management services for the District's upcoming Mello-Roos-funded projects and other selected facilities projects as needed. The first phase may include approximately \$30 million in facilities projects at Oak Ridge High School. The District anticipates that the first project under this phase will be the Oak Ridge High School Cafeteria Expansion Project, with an estimated construction cost of approximately \$9.6 million. The second phase may include approximately \$30 million in additional facilities projects to be determined. This RFQ defines the services sought and generally outlines the District's requirements. The District may use this RFQ to select a pool of qualified Respondents for future consideration.

## **III. SCOPE OF SERVICES**

Any firm selected based on this RFQ process must be capable of providing full construction management services through all phases of any and all selected projects in accordance with District's form of Agreement for Construction Management Services ("Agreement"), attached hereto as **APPENDIX A**. The detailed scope of services is set forth at **Exhibit A** to District's form Agreement.

It is vital that the selected firm(s) have the ability to work cooperatively and effectively with the District's Board of Education ("Board"), the Superintendent, District staff, the various school site planning committees, and the community. The District places great emphasis on

communication with all of its stakeholders. The firm(s) retained by the District will be part of the District team and will be expected to operate in a team environment.

#### **IV. QUALIFIED POOL AND RECERTIFICATION**

District may use this RFQ to maintain a pool of qualified Respondents for future consideration. Requests for recertification may be sent in District's sole discretion. Respondents who do not timely satisfy recertification requirements may be deleted from the prequalified pool, at sole discretion of District. Additional firms may be added to the pool, at District's sole discretion.

#### **V. LIMITATIONS**

The District reserves the right to contract with any person or entity responding to this RFQ. The District makes no representation that participation in the RFQ process will lead to an award of contract or any consideration whatsoever. The District shall in no event be responsible for the cost of preparing a response to this RFQ.

The Submittals and any other supporting materials submitted to the District in response to this RFQ, will not be returned and will become the property of the District unless portions of the material are designated as proprietary at the time of the Submittal and are specifically requested to be returned. Vague designations and/or blanket statements regarding entire pages or documents are insufficient and will not bind the District to protect the designated matter from disclosure. Pursuant to *Michaelis, Montanari, & Johnson v. Superior Court* (2006) 38 Cal.4th 1065, Submittals shall be held confidential by the District and shall not be subject to disclosure under the California Public Records Act until after either: (1) the District and the successful Respondent have completed negotiations and entered into an agreement, or (2) the District has rejected all Submittals. Furthermore, the District will have no liability to the Respondent or other party as a result of any public disclosure of any Submittal.

#### **VI. FULL OPPORTUNITY**
