

Principal's Message

Dear JB Families,

I hope you had a wonderful weekend with your families. This week, I have a special announcement and some exciting reminders to share with you.

Classified Employee of the Year

It is my sincere honor to announce **Ms. Rayne Devlin** as the John Baldwin Classified Employee of the Year. As our campus art teacher, Ms. Devlin impacts every student with her signature, gentleness and kindness. Her commitment to student well-being is truly exemplary. She regularly opens her art room during lunch recesses, providing a safe, creative sanctuary for students who thrive in an alternative space.

Beyond her artistic contributions, Ms. Devlin is the ultimate team player, consistently flexible and willing to adapt to the evolving needs of our staff and students. She is an integral part of our school community, and we are deeply appreciative of her hard work, her heart, and her unwavering dedication to the John Baldwin community.
