#### RESCUE UNION SCHOOL DISTRICT

AGENDA ITEM: Assembly Bill 3216, renamed the *Phone-Free School Act* 

## **RECOMMENDATION:**

The Superintendent recommends the Board of Trustees receive a report related to Assembly Bill 3216, renamed the *Phone-Free School Act*, and its alignment with our District policy.

### **BACKGROUND:**

California state legislators recently passed Assembly Bill 3216, the *Phone-Free School Act*, which requires every school district, charter school, and county office of education to adopt and implement a policy limiting student smartphone use by **July 1, 2026**.

The legislation was authored by a bipartisan group of Assembly members, including Republican Josh Hoover and Democrats Josh Lowenthal and Al Muratsuchi. It responds to growing concerns that smartphones in classrooms contribute to:

- Reduced academic performance
- Increased incidents of academic dishonesty
- Higher rates of cyberbullying
- Heightened anxiety, depression, and other mental health issues among students

The *Phone-Free School Act* builds on prior legislation from 2019 that permitted, but did not require, school districts to regulate smartphone use. The new mandate requires:

- Periodic review and updates of cellphone policies (every five years)
- Specific exemptions, including medical needs, emergencies, or accommodations within an IEP
- Prohibition against staff accessing or monitoring students' online activity

## **STATUS:**

The Rescue Union School District has policies in place that restrict student cellphone use during school hours. However, these policies will need to be reviewed and potentially revised to ensure consistency across all elementary and middle schools, and to align with the new statewide requirements.

#### **FISCAL IMPACT:**

There is no anticipated cost.

## **BOARD GOAL(S):**

#### I. CONTINUOUS IMPROVEMENT

Create and promote practices and environments that foster a culture of continuous improvement by systematically analyzing data, engaging in reflective dialogue, and implementing evidence-based strategies to enhance student learning outcomes, staff professional growth, and overall district performance.

## Rescue Union School District Board of Trustees Proclamation

# **Building a Culture of Excellence Grounded in a Culture of Caring**

**WHEREAS**, the staff of the Rescue Union School District - teachers, support personnel, and administrators - form a community rooted not only in shared professional responsibilities, but in deep care and compassion for one another; and

WHEREAS, we recognize that behind every colleague is a life filled with loved ones, joys, challenges, and burdens - whether related to health, major life changes, finances, or personal circumstances - and that these experiences, along with their emotional impact, naturally shape each person's daily experience; and

WHEREAS, if we are to continue building a culture of excellence, it must be firmly grounded in a culture of caring, where each individual is seen, valued, and supported as a whole person; and

WHEREAS, the daily intensity and pace of our work can make it easy to focus only on tasks and responsibilities, yet the strength of our schools and departments lies in the intentional practice of pausing to connect with, encourage, and uplift those around us; and

**WHEREAS**, acts of compassion - whether a kind word, a thoughtful check-in, or a gesture of support - strengthen not only our staff but also the fabric of our district, creating an environment where trust, empathy, and belonging thrive; and

**WHEREAS**, these connections extend beyond buildings and job titles, reaching across schools, throughout the district, and even to our colleagues who have retired, reminding us that once part of the Rescue Union family, always part of the Rescue Union family;

**NOW, THEREFORE, BE IT RESOLVED**, that the Rescue Union School District Board of Trustees encourages all staff to take the time to check in with colleagues, to listen with care, and to offer encouragement, knowing that such small acts have the power to transform lives; and

**BE IT FURTHER RESOLVED**, that through this shared commitment we affirm that excellence in Rescue Union School District will always be rooted in compassion, connection, and the belief that caring for one another strengthens not only our schools, but our community as a whole.
