

## **MMCHS Interview Questions Spring 2026**

1. We have had the opportunity to look over your application materials.
  - a. Can you tell us what you already know about our school?
  - b. Why do you want to come to Mountainside?
2. What are your hobbies or extracurricular activities?
  - a. What responsibilities do you have at home (jobs, chores)?
3. Tell us a little bit about what you like and dislike about school.
4. Our Freshmen attend classes on Tuesdays and Thursday and take four to five high school classes: English, Math, Biology and Advisory. Advisory is a class where you learn about how to be a high school student. There will also be opportunities to take music, art, Japanese or other career electives through the college. What electives would interest you in high school?
5. Our freshmen also take a few required college courses, one in the fall and one in the spring. What strategies would you use to complete your regular school work and college work at home when you are not on campus? How would you stay organized?
6. As you are a unique person with a variety of interests who is joining our school, what do you think you will contribute to our school community?
  - a). We also have a variety of fun activities such as walk/run meetup, book club, esports, and academic decathlon. What would you be interested in being a part of, or what meetup might you wish to create?"
7. What questions do you have for us?
