2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2025-26 School Description and Mission Statement

Burnt Ranch School is committed to providing a balanced quality education in a safe learning environment for our students, staff, and community and believes that everyone at Burnt Ranch School should be treated with dignity, respect, and inclusivity.

Burnt Ranch Elementary School District is a one-school district, serving Transitional Kindergarten through eighth grade. We are located in a rural part of western Trinity County in Northwestern California. The Burnt Ranch community has approximately 350 inhabitants. Many of our students also reside in the Hawkins Bar, Salyer and Willow Creek communities, which are up to twenty miles from our school site. We have strong community support with dependable parent involvement. Our community strengths also include our extended families, alumni, small businesses and farms, river sports, and a beautiful area in which to live. Stores and basic services are mostly located across the county line, in Humboldt County.

Our enrollment is 83 students for the 2025-26 school year. The school has grown from a one-room schoolhouse in 1895 located near a Chimariko Indian village and the historic Pony Express Trail, to the present facility which was originally built in 1962 and 1987 but has now been rebuilt with final completion in 2019. The campus includes a 2.5-acre playing field, with a track, baseball diamond, soccer area, basketball courts and a playground. Picnic tables in the sun and under a shade structure offer an outdoor lunch space during warm weather.

Each class has a set of chrome books with a student to device ratio exceeding 1:1; one or more laptop or desktop computers; a Smart Board; projector; and document camera. Students use technology daily for differentiated instruction, assessment, research, collaboration, learning common applications for success in the digital world, and for digital projects that demonstrate mastery of both content and skills in core-curriculum.

The school offers an after-school program until 5:00 pm each day with supplemental education services and enrichment activities for all students. Homework help and a healthy supper are provided every day. Students also participate in activities such as art, music, volleyball, soccer or basketball, cooking class, biking, STEAM projects, theater, and gardening. We provide academic intervention services, both during and after school, for students scoring below proficiency on state or district benchmark assessments.

Our Expanded Learning Opportunities Program is in the sustainability phase, with a popular intersession program.

2025-26 School Description and Mission Statement

We have an Indian Education program that contributes a cultural context to our program. Throughout the school year, a variety of Native culture activities and demonstrations take place at the school. Native students are offered supplemental academic support when needed.

Our school is the community hub and we cherish this identity, with annual events and traditions, like our Local Food Luncheon for Veterans Day and the beloved Elderberry Tea.

Burnt Ranch School is a friendly community of learners with a positive school climate and daily demonstration of respect for all members of the community, the facility, and the surrounding environment.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Burnt Ranch School has purchased state adopted and/or standards-based materials to use in all the classrooms. A complete set of state standards-aligned mathematics curriculum grades K-8 was implemented in the 2020 school year. A complete set of state standards-aligned English/Language Arts curriculum grades K-8 was implemented in the 2017-18 school year. State standards aligned History-Social Science was implemented in the 2018-19 school year. K-6 classrooms use NGSS aligned curriculum including Mystery Science and the 7-8 grade class adopted the Open Science Ed NGSS curriculum. Teachers and instructional staff are regularly researching and implementing standards-based materials for all subject areas.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement
<p>Burnt Ranch School offers and encourages a variety of modes for parental involvement. One unique opportunity is employment, over 23% of students have one or more parents employed at our school, this is dedication that spills into all aspects of our school community. Parents also serve on the LCAP Parent Advisory committee and attend Parent Teacher Organization meetings, school board meetings, and parent conferences. Currently 20% of students have one or more parent serving in the PTO/PAC. Additionally, we rely on several methods for communication to solicit involvement, including through our Facebook page, virtual platforms, phones calls and text messages, emails, and our updated website.</p> <p>At Burnt Ranch School, we recognize that parents/guardians are their children’s first and most influential teachers and that parent involvement in the education of their children contributes greatly to student achievement and a positive school environment. Parents can be involved in many ways at our school such as volunteering in the classroom, fundraising for school field trips, helping in the after school program, volunteering to teach a special subject, or coaching a school sport. Parents are invited to become LCAP Advisory Committee members, attend other school advisory meetings, be part of the Indian Education Parent Committee, or join the PTO. We regularly provide opportunities for parents to join in events at BRS, such as our school-wide assemblies, Back to School Night, the annual Art Show, music and drama performances, Family Nights, parent conferences, and special occasions such as the Harvest Festival, Veterans Day, Elderberry Tea, classroom celebrations, the annual Mt. Shasta snow trip, and the end of year Beach & Kayak day. We encourage Love and Logic parent training so that more parents can learn the philosophy and strategies that our staff uses to successfully support positive student behavior.</p>

2025-26 School Safety Plan

Burnt Ranch School has an up-to-date School Safety Plan developed by staff, administration, parents, and community members and reviewed by the Parent Advisory Committee/Safety Committee, the staff and the Board of Trustees each year. Drills for fire, evacuation, earthquake, and lockdown are conducted to ensure that all staff and students are familiar with and ready to carry out all emergency procedures at any time of the day and during any school activity. All buildings have been replaced or remodeled on the campus, with a new fire alarm system and an intercom/clock/bell system. Phones in every classroom have intercom capabilities for safety announcements and a school set of radios was purchased in 2020 for communication across the site. Visitors and volunteers must check-in and out at the school office. Staff will question anyone who comes on site who is unknown to the school community. We have a fire safe school site with collaboration from the Trinity County Fire Safe Council, CalFire and the USFS. The School Safety Plan is reviewed, updated, and discussed with the school staff annually, and information about safety is included in the Student/Parent Handbook. CSSP was reviewed and approved by the Governing Board on 2/11/2025.

Fiscal Year 2024-25 Types of Services Funded

Burnt Ranch School provides a well-rounded program with a technology-infused core curriculum, as well as specialized Art, Music, Spanish, Science and PE instruction. We identify and serve students with increased academic need through our curriculum-based Response-to-Intervention model. All students receive differentiated instruction in the regular classroom, and students identified as medium or high academic risk receive individualized and small group tutoring both during school hours and with wrap around supplemental educational services through our ASES After School Program. The Expanded Learning Program has allowed the school to offer summer and intersession days to all students.

Professional Development

Professional Development at Burnt Ranch Elementary School District is driven by student data and education trends. Professional development opportunities have focused on Common Core State Standards implementation, Technology and 21st century learning, Science of Reading, NGSS Curriculum, Performance Assessment implementation, and Love & Logic strategies, Restorative Practices, as well as health and safety topics. Data and qualitative analysis guide evaluation of progress in implementing new strategies or curriculum. Staff attend workshops, conferences and collaborations on and off-site through County and State consortiums and professional organizations. Targeted Professional Development also occurs on-site at least four days per year. In addition, regular PLC and collaboration meetings offer teachers an opportunity to work together on implementation and refinement of new skills, strategies and content. Regular principal-teachers and principal-classified staff meetings allow for additional collaboration, planning, support, mentoring and reflective practice.
