HYDE PARK DAY SCHOOL

# PARENT EDUCATION SERIES

## UNDERSTANDING DYSLEXIA & THE IMPACT BEYOND THE PAGE

**Thursday, October 22, 2026 from 12:00PM-12:30PM**

Dyslexia affects more than reading, shaping how students process directions, organize their thoughts, and manage daily workloads. Explore practical, evidence-based strategies to help bright students build skills and confidence.

**PRESENTER:** Dr. Casey Crnich, HPDS Executive Director

## EARLY INTERVENTION: RECOGNIZING THE SIGNS BEFORE STRUGGLES TURN INTO FRUSTRATION

**Thursday, December 3, 2026 from 12:00PM-12:30PM**

Learn the early warning signs of learning differences in reading, writing, and math, why early intervention matters, and practical steps for getting the right support in place.

**PRESENTER:** Tara Montgomery, Director of the Joanne Steinback Educator Training Institute

## DEMYSTIFYING THE IEP: BECOMING AN EMPOWERED ADVOCATE FOR YOUR CHILD

**Thursday, January 21, 2027 from 12:00PM-12:30PM**

Learn how to navigate the IEP process, understand your child's plan, prepare for school meetings, and collaborate with educators to secure the right support.

**PRESENTER:** Jennifer Hansen and Lara Cleary, Hansen & Cleary, LLC

## DECODING THE NEUROPSYCH EVALUATION: HOW TO READ, UNDERSTAND, AND USE YOUR CHILD'S EVALUATION

**Thursday, February 25, 2027 from 12:00PM-12:30PM**

Learn how to interpret educational and neuropsychological evaluations, connect test results to classroom experiences, and use your child's strengths and learning needs to guide support.

**PRESENTER:** Dr. Vanessa Kovachy, Certified School Psychologist with PRS

## MAKING MATH CLICK: UNDERSTANDING DYSCALCULIA & THE POWER OF MULTISENSORY LEARNING

**Thursday, April 22, 2027 from 12:00PM-12:30PM**

Learn how dyscalculia affects number sense, math facts, and problem-solving, and how structured, multisensory approaches can help students build understanding and confidence.

**PRESENTER:** Marisa Churchill, HPDS Instructional Coach
