## Dual Language Education SY 2019-2020 Dual Language Transportation Parameters

Upon qualifying for Dual Language (DL), you will be given the opportunity to request bus service. *Request for DL Transportation* form must be submitted to the DL campus and approved by the Transportation Department **PRIOR** to starting any type of transportation services. Please print all information neatly. Once a bus eligible address is verified, the student(s) will be added to the driver's route list and school will be notified. The school then will notify the family with his/her assigned bus times and numbers. Please read the following information carefully:

### **Transportation Services to/from Dual Language Campus (not bus eligible)**

- Students who reside in the dual language campus attendance area and whose home address is not eligible for transportation to their dual language campus will not **receive bus service** from their residential area to their respective bilingual/dual language campus.
- It will be the family's responsibility to provide transportation to the dual language campus

### **Transportation Services to/from Home Campus (not bus eligible)**

- Students whose home address is not eligible for bus service to their assigned home campus will **not receive** bus service to their dual language campus from their residential area. Shuttle transportation from the home campus to the dual language campus will be provided.
- It will be the family's responsibility to provide transportation to the home campus to catch the shuttle bus **from their home campus** to their assigned bilingual campus.

### **Transportation Services to/from Dual Language Campus (bus eligible)**

- Students whose home address is eligible for transportation will continue to receive transportation as usual. A bus will pick up a student(s) from his/her residential area and transport him/her to/from the dual language campus.

**NOTE: Misuse of transportation services may result in the loss of services.**
