On a separate piece of paper please tell us about yourself. Describe your academic and professional goals and your plans for achieving them. If you have not yet decided on a career goal, you may write about the possibilities that currently appeal to you the most. Please include any of the topics below that would illustrate why you are the best candidate for a scholarship.

- Your background, talents and strengths
- Your values and beliefs and how those are connected to your goals, interests and talents
- Significant people in your life and how they influence you
- Important life experiences such as overcoming challenges or stepping out of your comfort zone
- Something that sets you apart from the crowd
- Why you think you will be successful in achieving your goals
- Resources available to you that will help you succeed

List the name of an elementary school teacher & the school at which they taught or are now teaching, who had a positive effect on your life and/or educational experience.
