

HEALTH ENHANCEMENT PROGRAM (HEP)

BY THE STATE OF CONNECTICUT. ADMINISTERED BY QUANTUM HEALTH.

The Health Enhancement Program (HEP) encourages regular check-ups and screenings to help health plan members find health issues early and get the care they need. By completing your age-related screenings and any required education for chronic conditions each year, you save on healthcare costs. If everyone covered under your plan does not meet these requirements, you will have an in-network deductible of up to \$1,400 and your monthly premiums will increase by \$100 per month.
