

The listed contractors are qualified to bid on projects in accordance with Public Contract Code 20111.6.  
In accordance with California Public Contract Code 20111.6, the San Ramon Unified School District has received and evaluated pre-qualification statements. The District has evaluated the statements and determined that the entities listed below meet the minimum standards set forth in the pre-qualification requirements. There is no warranty, implied or otherwise, regarding the suitability or financial solvency of any listed entity. The general contractor is solely responsible for determining whether subcontractors are capable of performing the work on a particular project. Contractors with an A license classification performing work allowed by the A classification, specifically site underground utilities, need not be prequalified when bidding as a subcontractor. Contractors with an A license bidding as prime contractors must be prequalified.
