# PREPARING FOR THE FUTURE NOW

## Dear Rocklin Resident,

As we kicked off the school year, our dedicated team of teachers and staff were excited to welcome our students, families, and community back to school.

RUSD's commitment to excellence extends beyond academics. Creating safe, healthy, and secure campuses is essential to our students' success. Most of our schools were built 20–30 years ago, and two are over 60 years old. With many facilities showing their age, we need thoughtful investments and improvements to create schools that prepare students for future success.

Updating facilities, improving safety and security, and modernizing classrooms will give students the tools they need to thrive in college, careers, and the workforce. We must strengthen career readiness by modernizing, expanding, and constructing Career Technical Education facilities, giving students the skills and real-world experience to succeed after graduation.

To meet classroom and facility needs and help our schools become eligible for \$82 million in State matching funds, the Rocklin Unified School Board has placed Measure D on the November 3, 2026 ballot. Scan the QR code below to learn more about Measure D.

# FOR ROCKLIN STUDENTS

In its dedication to upholding the standard of excellence in neighborhood education, Rocklin Unified updated its Facilities Master Plan (FMP) in 2024, outlining the diverse needs of all school facilities, including TK/Kindergarten-12 classrooms, cutting-edge educational technology, and essential building systems. Projects included in the FMP include:

**Expand and modernize** career technical education (CTE) facilities to better prepare students for jobs after high school

Make health, safety, and security **improvements** throughout RUSD school classrooms and campuses

**Repair or replace** leaky roofs and deteriorating plumbing and sewer systems

**Replace** outdated heating and air-conditioning systems and inadequate electrical systems

**Construct** new learning environments to replace outdated classrooms

*Outdated HVAC system*

*Antiquated plumbing*

## Measure D – Local Funding for School Improvements

On June 10, 2026, the District's Board of Trustees unanimously voted to place Measure D, a \$288 million bond measure, on the November 3, 2026 ballot. Measure D is projected to cost taxpayers about \$59 per \$100,000 of a property's assessed value (not market value) annually while the bonds are outstanding. Measure D is projected not to increase the current tax rate homeowners are currently paying. Additionally, if Measure D is approved in November, the School Board has resolved not to issue new bonds until RUSD's current bond expires in 2028.

## Mandatory Fiscal Accountability

Measure D requires strict fiscal provisions, including:

- All Measure D funds must be used to repair and improve Rocklin Unified classrooms and school facilities
- Independent audits, a citizens' oversight committee, and a project list designating how Measure D funds can be spent
