Principal's Message

As we head into November, I want to take a moment to recognize someone who has made a lasting impact on our Kynoch family. After 25 years of dedicated service to Kynoch Elementary School, Diane Lemstrom will be retiring, with her last day being October 30th!

Diane has been such an important part of Kynoch, helping keep our school running smoothly and supporting generations of Cubs, families, and staff along the way. Her dedication, kindness, and commitment to our school community have made a difference in more ways than we can count. Twenty five years is an incredible milestone, and we are so grateful for the time, care, and heart she has given to Kynoch.

While we will certainly miss seeing Diane in the office each day, we are excited for her as she begins this next chapter. We hope retirement brings plenty of time to relax, make new memories, enjoy new adventures, and do all the things that a busy school schedule doesn't always allow!

Diane, thank you for 25 wonderful years of service, for everything you have done for our Cubs, and for being such a special part of the Kynoch family. You will always be a part of our Kynoch family, and you will be missed more than you know!

As we move into this season of gratitude, I am reminded how fortunate we are to have such dedicated people in our school community. Thank you, Diane, and thank you to our entire Kynoch family for the many ways you show up for our students each and every day.

Wishing all of our Cubs and their families a wonderful November filled with gratitude, family, and special memories!

With Kynoch pride,
Mrs. Pomeroy, Proud Principal
