

Connecting a Windows PC to SDUHSD Wifi

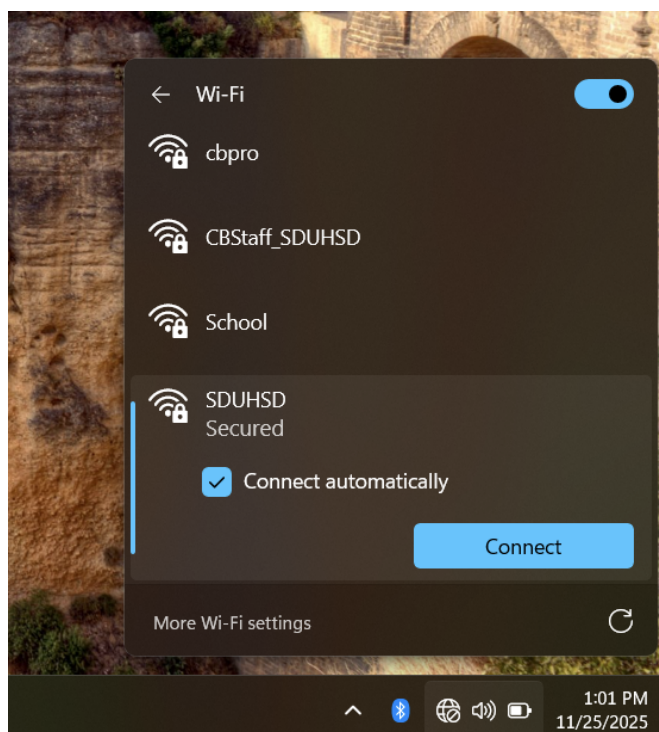

Step 1: Open Settings

Click the Wifi icon on the bottom right hand corner, by the clock. Then click the arrow to the right of the Wireless icon that comes up to see a list of available wireless networks.

Step 2: Choose the SDUHSD network

Then click "Connect"

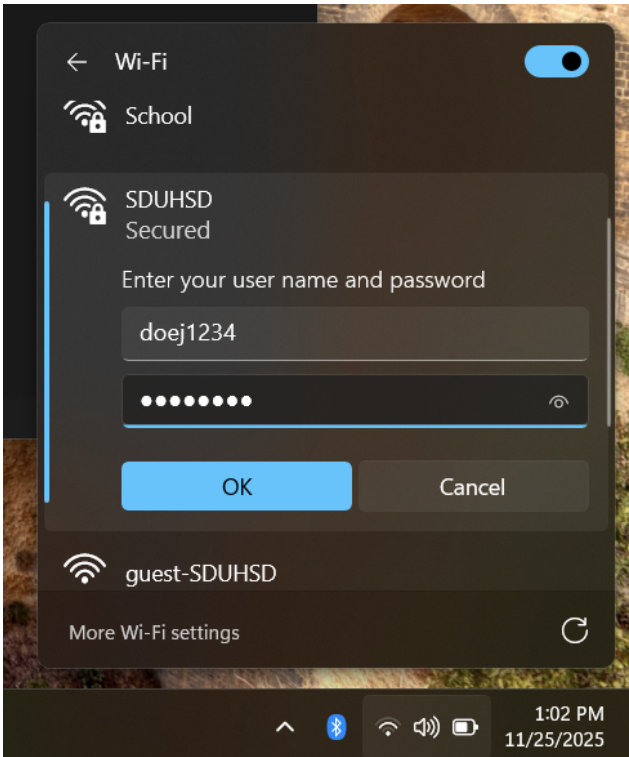

Step 3: Enter your username and password

Staff:
firstname.lastname

Students:
last name + first initial + last 4 digits of permanent ID

Then click "OK"

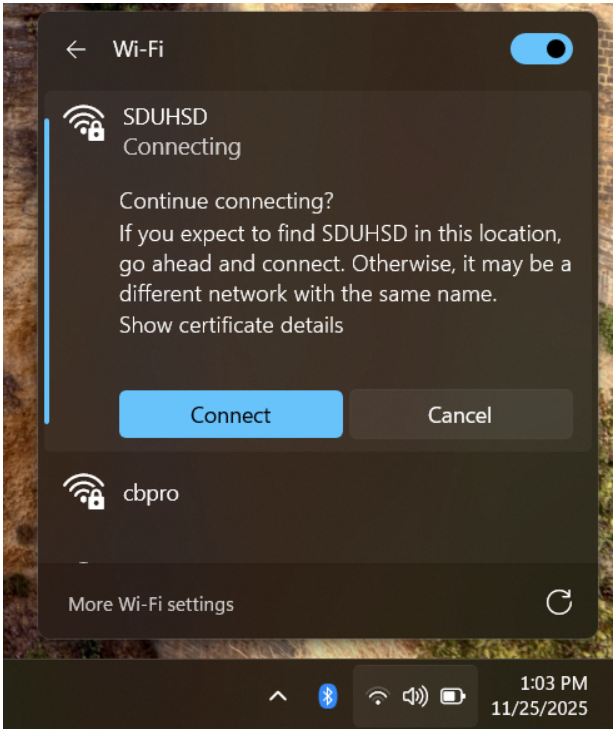

Note: do not include @sduhsd.net or @my.sduhsd.net at the end of your username!

Step 3: Click Connect again

It will ask you "Continue Connecting?"

Click "Connect"

You should now be connected to the SDUHSD network. In the future, your device will connect to the network automatically.
