

Changes to Fence Details:

- The fence will be 4 feet high starting from each dugout and continuing around the entire outfield.
- On both the right and left sides of the field, the fence will extend 100 feet from each dugout, leaving an open space closer to the right and left foul lines.
- The gates next to each dugout will also be 4 feet high.
- The distance from home plate to both the right and left foul lines is 210 feet.
- The distance from the center of the pitching rubber to the center-field fence is 172 feet.
- Remove the center-field gate.
- Remove the gates next to the right and left foul poles and replace with 21' of 4' fencing.
