

Opt-Out of Photographs or Interviews - Optional Form

There are many positive accomplishments and activities that our students are involved in each school year. The news media and the Twin Rivers Unified School District Communications Department occasionally photograph or film these events for the purpose of sharing information about our programs and highlighting positive activities in our schools. These images may be used in district or school newsletters, district or school websites and social media, other promotional materials, or by the news media.

If you do not want your child's likeness used, please complete this form and email it to communications@trusd.net.

- ✓ I request that my child's photo not be used in any District or media publications or presentations.
- ✓ I understand that this request may prevent my child from participating in some activities.
- ✓ I agree to also notify my child's teacher and principal to ensure that they are aware of my preference.
- ✓ I will instruct my child to avoid photo and media situations or to tell an adult should their photograph be taken.
