AFTER SCHOOL PROGRAM WALK-HOME POLICY & FORM

All After School Program (ASP) scholars who walk home must have a walk-home form on file. It is the parent/guardians' responsibility to complete the "Walk-Home Form" before their child can be released to walk home. No student will be released to walk home without the completed form.

For the safety of our students, NO student under the age of 10 years is allowed to walk home, even with parent/guardian permission. The walk-home form needs to be completed for each participating YEP student prior to the student leaving the ASP program. Students under the age of 10 must be picked up by a person 18 or older who is listed on their emergency card. Any person picking up a student must be listed on the emergency card. The ASP Program Staff reserves the right to request a valid picture I.D. upon picking up a child.

Students walking home must follow the following guidelines: sign themselves out of the program (this is to be done daily); leave at the assigned dismissal time listed on the walk-home form; immediately leave campus to walk home (students cannot sign themselves in and out).

The following "Walk-Home Form" must be filled out if you wish your child to use this option.
