Enrollment for the 2027–2028 School Year!

Do you have a child who will be entering Transitional Kindergarten (TK) or Kindergarten next school year? Now is the perfect time to get started with the enrollment process at the Language Academy of Sacramento (LAS)!

We encourage all interested families to **sign up for an Information Session** to learn more about our school, our dual language immersion program, and the enrollment process.

Important Reminder: Having a sibling currently enrolled at LAS does **not guarantee admission**. All new students, including siblings, must participate in the enrollment lottery process.

2027-2028 Age Eligibility Requirements

- **Kindergarten:** Children must turn 5 on or before September 1, 2027 (birthdates between September 2, 2021, and September 1, 2022).
- **Transitional Kindergarten (TK):** Children must turn 4 on or before September 1, 2027 (birthdates between September 2, 2022, and September 1, 2023).

👩‍🍳 Meet the Faces Behind the Meals!

Each month, we're introducing you to a different member of our **LAS Nutrition Services Team** so our families can get to know the friendly faces who work hard each day to prepare and serve meals to our students.

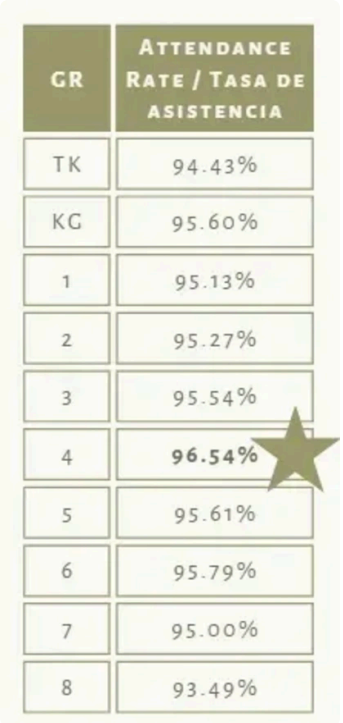

We're excited to shine a spotlight on the team that helps keep our Jaguars fueled and ready to learn! 💚

This month's Spotlight: **Pricilla Serrato**

- What is your favorite part about working at LAS? **My favorite part of working at LAS is the students. Being able to see their smiles every day and knowing that I'm helping provide them with a meal and a positive experience means so much to me. I also love being part of a team that truly cares about the students and the school community. It feels really special to be able to contribute to a place that means so much to my family.**
- What is your favorite school meal to serve? **Pizza day is always a good day!**
- What is your favorite food? **My favorite food is tacos.**
- What do you enjoy doing outside of work? **Outside of work, my favorite thing to do is spend time at the ballpark with my family. I love watching my kids play baseball and softball, cheering them on, and being there for all the practices, games, and tournaments. Some**

of my favorite memories are made sitting on those bleachers and watching my kids do what they love! ⚾🥎❤️

- Tell us one fun fact about yourself! **Fun fact: I'm basically a full-time baseball and softball mom—I love being at the ballpark cheering on my kids and probably know more about baseball than I ever expected to!** ⚾🥎

Every school day counts, and being present helps students stay connected, engaged, and ready to learn!
