Dear Parents and Guardians,

We hope this letter finds you well and that you and your family are enjoying a wonderful school year. Our district is excited to announce that the following schools have been approved for Community Eligibility Provision (CEP):

College Connections
Enterprise High School
Foothill High School
Pioneer High School

Shasta Charter Academy
Shasta High School
UPREP

CEP guarantees all students a Breakfast & Lunch Meal at no charge to your student. Students will receive these meals without needing to pay a fee or submit a meal application. CEP aims to support students by ensuring they receive the necessary nourishment to focus and learn. While there is no application or cost for these meals, we will continue to offer families the opportunity to apply for other benefits like Sun Bucks, discounted testing rates (ie: SATs), qualification for scholarships and other grants by submitting a Universal Benefit Application (UBA).

How to Complete the Universal Benefit Application:

1. **Online:** Visit School's Website under Nutrition Department or visit www.EZmealApp.com to fill out the application electronically.
2. **Paper Form:** Attached to this letter.

Please rest assured that all information provided is kept confidential and used solely for determining eligibility for these additional benefits.

If you have any questions or need assistance in completing the application, please do not hesitate to contact the Nutrition Department office at 530-245-2790.

Additional Meals & A la Carte items are also available for purchase daily. To purchase additional meals or A La Carte items you may add funds to your students account by going to www.EZSchoolPay.com.

Thank you for your support and cooperation in helping us ensure every child has the opportunity to succeed.

Sincerely,
