Why choose Envision?

Envision Volleyball Club's focus is "Athlete First." We are developing this new Club with one goal in mind:
Help these athletes become the "best version of themselves."

EVC strives to exemplify a positive and competitive learning environment with committed coaches and engaged athletes who seek to develop crucial skills for both on and off the court. Our athletes, coaches and members of the EVC family aspire to foster an environment that helps to develop the whole athlete.

QUOTE from a Mom from ANOTHER CLUB at the end of the 2023-2024 season:

"EVC players displayed Sportsmanship and kindness to my daughter after playing a tough match. My daughter's teammates had been saying mean things to her, but your player's compliments about her level of play really encouraged her and made her feel good about herself. This is how it is supposed to be!"
