A.B. is excited for his senior night. He is excited for his senior teammates since it's been a pleasure playing with them since middle school.

Carlos is also excited for senior night. He is glad to be playing with the same people for the past four years. It's been an honor to play for this program, and he is thankful for all his coaches, especially coach Ivan who has coached him for the past 4 years.

Alexis: I loved making memories with all the girls for the past 2 years. One of my favorites is when I made the first goal of the season and celebrating with my teammates.

Playoffs Begin

Next week the Gridley boys soccer team and basketball teams will begin playoffs! Soccer finished league in second place, and their playoffs will begin on Tuesday. The boys find out who they will play tomorrow. Playoffs for basketball begin next week. The boys are likely a 2 seed if they win tomorrow or a 3 seed if they lose. Either way, they will be home for 1 or 2 games next week, depending on how many teams opt out. If they win all of their games next week, they should qualify for the Nor Cal playoffs. Good luck to all our teams in playoffs!
