Program Objectives

Our Cosmetology program is designed to train students in the practical skills, theoretical knowledge, and professional attitudes necessary to obtain licensure and for competency in the Cosmetology profession. Upon completion of the course requirements, the determined graduate will be:

- Prepared to pass the State of California Licensing Examination
- Able to perform skills in the areas of hair cutting, hair styling, hair coloring, skincare, make-up application, and manicuring
- Able to communicate effectively with colleagues, supervisors, and guests
- Able to project professionalism
- Able to perform basic analytical skills to be able to advise clients on total look concepts
- Able to apply academic learning, technical information, and related matter to assure sound judgments, decisions, and procedures.
