Teachers of the Year

Congratulations to this year's teachers of the year, Mrs. McIntire and Mr. Tull! Here is what Mrs. Buresch had to say about this year's winners:

This year, as we reflect on our school's exceptional growth—our academic achievements, our relentless pursuit of excellence, and our well-earned place among the top high schools in California—we are especially proud. These successes are not by chance. They are the result of passion, perseverance, and teachers who believe in the potential of our students.

I have the honor of recognizing not one, but two teachers who embody this spirit. These two teachers do not accept mediocrity. Not for themselves—and certainly not for their students. They create classrooms where giving up isn't an option, where every learner is pushed, challenged, and—most importantly—inspired. Because of their dedication, our students leave GHS more confident, more capable, and more prepared to thrive—whether in college, career, or beyond.

Congratulations to both Mrs. McIntire and Mr. Tull - both deserving teachers who work incredibly hard to make GHS a great place to be.

Sports Update

Baseball Senior Night was yesterday against Oroville. Seniors on the team include Gus Stogsdill, Ryan Taranto, Garrett Francis, Nathan Zumwalt, Duffy Villalobos, Will Yost, and Luis Murillo. The boys defeated Oroville, 10-0.

The varsity softball team is celebrating their senior night on Friday. Senior softball players include Reese Stevens, Charlee Sormano, and Payton Buresch. Come cheer for the ladies as they play at home at 4:00 against Live Oak.

Track & Field has their last BVL meet this Thursday at Orland. Good luck to our track athletes!

Golf had their last BVL meet yesterday. The team took 2nd in BVL and senior, Max Tolman took 3rd in league while sophomore, Jeff Taranto took 4th in league. They begin playoffs next week—good luck!

Good luck to all our athletes as the spring season wraps up and they enter the playoffs!

Blood Drive

There is a blood drive here at GHS on May 20th. Local blood banks are critically low and they could use our help to make sure blood is available in emergencies.

Please volunteer to donate by adding your name to the sign-up sheet in the office. Make sure you grab a permission slip and bring it signed to your appointment, otherwise you will not be allowed to donate! Please make sure you meet the weight and height restrictions to donate.

2025 Prom King and Queen

Over 200 people attended the Night at the Bayou Prom on Saturday. The venue was beautiful, and the caricature artists were a hit! Crowning of the Prom King and Queen took place at the end of the night. Congratulations to this year's Prom King, Luis Murillo, and Prom Queen, Reese Stevens.
