Public Comment (2 minutes per speaker)	Chairperson	Summary of Discussion <p>Tara Jacobs stated she has a complaint regarding the approval of the Title 1 Monitoring and Evaluation in January 2025 because a parent voted and then needed to leave the meeting. Ms. Jacobs stated that our vote took place prior to the end of the principal's presentation and that when the parent was called on the phone it became an absentee vote and was not a quorum.</p> <p>Ms. Jacobs also stated she was removed from the March zoom meeting intentionally, so that the meeting was no longer public.</p> <p>At the conclusion of her two minutes, Stacey Firpo stated that the January Title 1 Monitoring presentation was fully completed prior to voting and that we called the parent to verify that she had indeed voted yes with the group prior to her departure. Pavandeep Goraya stated that yes, the presentation was done and that she voted yes prior to leaving. Sonia Borja, Elle Hassani, and Cheryl Coronia all stated that they were present at the January 2025 meeting and that the presentation was over, the SSC members voted, and the Title 1 monitoring and Evaluation was approved by the SSC.</p> <p>In regards to the March meeting, Stacey Firpo stated that no one is ever removed from any meetings and inquired if Tara had made the attempt to sign back into the meeting. It sounded as if Ms. Jacobs lost connectivity. Mrs. Firpo does not use a waiting room in her ZOOM meeting room, so she could have logged back into the meeting. Tara stated she tried but was unsuccessful. Ms. Firpo stipulated that Tara has been attending her SSC meetings for 7 years, why would she intentionally remove her as an attendee?</p>

2024-2025 Northlake TK-8 School Site Council Bylaws

Article I: Duties of the SSC

The SSC of Northlake TK-8, hereinafter referred to as the SSC, shall carry out the following duties:

- Obtain recommendations for, and review of, the proposed School Plan for Student Achievement (SPSA) from all school advisory committees
- Develop and approve the SPSA and related expenditures in accordance with all state and federal laws and regulations
- Recommend the SPSA and expenditures to the governing board for approval
- Provide ongoing review of the implementation of the SPSA with the principal, teachers, and other school staff members
- Make modifications to the SPSA whenever the need arises
- Submit the modified SPSA for governing board approval whenever a material change (as defined in district governing board policy) is made in planned activities or related expenditures
- Annually (and at each semester, trimester, etc.) evaluate the progress made toward school goals to raise the academic achievement of all students
- Carry out all other duties assigned to the SSC by the district governing board and by state law

Article II: Members

New members will be voted into office during the August and September Elections. Elections will be administered via electronic ballot when possible and will follow the laws outlined in EdCode Section 65000

Section A: Composition

The SSC shall be composed of 10 members, selected by their peers, as follows:

- 3 Classroom teachers (Provide definition of classroom teacher)
- 1 Other school staff members
- 5 Parents or community members

- The school principal or designee shall be an ex officio member of the SSC
SSC members chosen to represent parents may be employees of the school district so long as they are not employed at this school.

Section B: Term of Office

SSC members shall be elected for 2 year terms. Half, or the nearest approximation thereof, of each representative group shall be elected during odd years, and the remaining number elected during even years. (This example assumes two-year terms; the language should be modified to reflect the length of term agreed to by the SSC.) At the first regular meeting of the SSC, each member's current term of office shall be recorded in the minutes of the meeting.

Section C: Voting Rights

Each member is entitled to one vote and may cast that vote on any matter submitted to a vote of the SSC. Absentee ballots shall not be permitted.

Section D: Termination of Membership

The SSC may, by an affirmative vote of two-thirds of all its members, suspend or expel a member. Any elected member may terminate his or her membership by submitting a written letter of resignation to the SSC chairperson.

Section E: Transfer of Membership

Membership on the SSC may not be assigned or transferred.

Section F: Vacancy

Any vacancy on the SSC occurring during the term of a duly elected member shall be filled by a new member selected in an appropriate manner (e.g., regular elections; appointment of the SSC for the period of time until the next regular election; or the seating of a previously elected alternate member to fill the remainder of the term of the vacant seat).

Article III: Officers

Section A: Officers

The officers of the SSC shall be a chairperson, vice-chairperson, secretary, and other officers the SSC may deem desirable. The chairperson shall:

- Preside at all meetings of the SSC
- Sign all letters, reports, and other communications of the SSC
- Perform all duties incident to the office of the chairperson
- Have other such duties as are prescribed by the SSC

The vice-chairperson shall:

- Represent the chairperson in assigned duties
- Substitute for the chairperson in his or her absence

The secretary shall:

- Keep minutes of all regular and special meetings of the SSC
- Transmit true and correct copies of the minutes of such meetings to members of the SSC and to the following other persons: district compliance folder
- Provide all notices in accordance with these bylaws
- Be custodian of the records of the SSC
- Keep a register of the names, addresses and telephone numbers of each member of the SSC, the chairpersons of school advisory committees, and others with whom the SSC has regular dealings, as furnished by those persons
- Perform other such duties as are assigned by the chairperson or the SSC

Section B: Election and Terms of Office

The officers shall be elected annually at the 1st meeting of the SSC and shall serve for two years, or until each successor has been elected.

Section C: Removal of Officers

Officers may be removed from office by a two-thirds vote of all the members.

Section D: Vacancy

A vacancy in any office shall be filled at the earliest opportunity by a special election of the SSC for the remaining portion of the term of office.

Article IV: Committees

Section A: Subcommittees

The SSC may establish and abolish subcommittees of its own membership to perform duties as shall be prescribed by the SSC. At least one member representing teachers and one member representing parents shall make up the subcommittee. No subcommittee may exercise the authority of the SSC.

Section B: Other Standing and Special Committees

The SSC may establish and abolish standing or special committees with such composition to perform such duties as shall be prescribed by the SSC. No such committee may exercise the authority of the SSC.

Section C: Membership

Unless otherwise determined by the SSC, the SSC chairperson shall appoint members of standing or special committees. A vacancy on a committee shall be filled by appointment made by the chairperson.

Section D: Terms of Office

The SSC shall determine the terms of office for members of a committee.

Section E: Rules

Each committee may adopt rules for its own government not inconsistent with these bylaws or rules adopted by the SSC, or policies of the district governing board.

Section F: Quorum

A majority of the members of the committee shall constitute a quorum, unless otherwise determined by the SSC. The act of a majority of the members present shall be the act of the committee, provided a quorum is in attendance.

Article V: Meetings of the SSC

Section A: Meetings

The SSC shall meet regularly on the following dates: 9/25, 11/20, 1/29, 3/19, 5/21. Special meetings of the SSC may be called by the chairperson or by a majority vote of the SSC.

Section B: Place of Meetings

The SSC shall hold its regular meetings at a facility provided by the school, unless such a facility that is accessible to the public, including handicapped persons, is unavailable. Alternate meeting places, or virtual platforms such as ZOOM, may be determined by the chairperson or by majority vote of the SSC.

Section C: Notice of Meetings

Written public notice shall be given of all meetings at least 72 hours in advance of the meeting. Changes in the established date, time, or location shall be given special notice. All meetings shall be publicized in the following venues: district website, school website, Parent Square and Class Dojo.

All required notices shall be delivered to the SSC and committee members no less than 72 hours and no more than seven days in advance of the meeting, personally or by mail (or by e-mail).

Section D: Quorum

The act of a majority of the members present shall be the act of the SSC, provided a quorum is in attendance, and no decision may otherwise be attributed to the SSC. A majority of the members of the SSC shall constitute a quorum.

Section E: Conduct of Meetings

Meetings of the SSC shall be conducted in accordance with the rules of order established by California EC Section 3147(c), and with *Robert's Rules of Order* or an adaptation thereof approved by the SSC.

Section F: Meetings Open to the Public

All meetings of the SSC, and of committees established by the SSC, shall be open to the public. Notice of such meetings shall be provided in accordance with Section C of this article.

Article VI: Amendments

An amendment of these bylaws may be made at any regular meeting of the SSC by a vote of two-thirds of the members present. Written notice of the proposed amendment must be submitted to SSC members at least seven days prior to the meeting at which the amendment is to be considered for adoption.

TITLE I PARENT INVOLVEMENT POLICY

Northlake TK-8

2025 - 2026

Northlake TK-8 has developed a written Title I parental involvement policy with input from Title I parents, parent members of the School Site Council and English Learner Advisory Committee groups who have reviewed and discussed the policy. This policy is distributed and explained at our Annual Back to School Night. The policy describes the means for carrying out the following Title 1 parental involvement requirements.

INVOLVEMENT OF PARENTS IN THE TITLE I PROGRAM:

To involve parents in the Title I program at Ridgepoint, the following practices have been established:

Northlake TK-8 convenes an annual meeting to inform parents of Title I students about Title I requirements and About the right of parents to be involved in the Title I program. The parents at Northlake TK-8 are informed about the school's Title 1 requirements and the right to be involved in the Title 1 program at our annual Back-to-School Night, which is held prior to the first day of school or within the first two weeks of school. After the classroom teachers and school staff are introduced at Back-to-School Night, the principal reviews the rights and requirements via a PowerPoint presentation in the school multi-purpose room or gym.

Northlake TK-8 offers a flexible number of meetings for Title 1 parents.

Five meetings are held throughout the school year. Parents participate in the School Site Council and the English Learner Advisory Committee meetings. Parents are also encouraged to reach out to the principal at any time to convey concerns or suggestions.

Northlake TK-8 involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.

Information is gathered at parent input meetings regarding the needs of the Title 1 students. Parents are an integral part of the development of the Single Plan for Student Achievement (SPSA). The SSC and ELAC conduct needs assessments during each school year, and these are used to develop the goals and strategies included in the SPSA.

Northlake TK-8 provides parents of Title I students with timely information about Title I programs.

Northlake will be working diligently to update our website with curriculum information, after school information, intervention information and other programs that assist in the development of all learning. In addition, we will utilize our automated messaging system, flyers, our marque and our app to advertise upcoming program changes or additions.

Northlake provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.

Parents are informed about curriculum, assessments, and student progress and proficiency at Back-to-School Night, mid-trimester progress reports, parent conferences, report cards, and Open House. Student Study Team and IEP meetings are also held for at-risk and special needs students.

Northlake has an open-door policy. Parents may pre-arrange meetings or phone calls with site administration or staff. Parents may submit comments in writing regarding the school site plan and attend regular SSC and ELAC meetings.

BUILDING CAPACITY FOR INVOLVEMENT:

Northlake TK-8 engages Title I parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices:

The school provides Title I parents with assistance in understanding the State's academic content standards assessments, and how to monitor and improve the achievement of their children.

The state academic content standards and assessments are explained to parents by the classroom teacher at Back-to-School Night, Parent Conferences, and at Family Nights - such as STEAM Night. Parents are provided with assistance in how to monitor and improve the achievement of their children with assistance from the classroom teacher. Teachers provide ongoing student assessment and achievement information to parents via mid trimester progress reports and reports cards. The monitoring and improvement of student achievement is also discussed in Student Study Team meetings, IEP meetings and Professional Learning Community collaboration meetings.

Northlake provides Title 1 parents with materials and training to help them work with their children to improve their children's achievement.

Title 1 parents are provided with training and materials to work with their students at Back-to-School Night, Family Nights, as well as Parent Teacher Conferences, Student Study Team meetings and informal parent meetings with the teacher.

With the assistance of Title 1 parents, the school educates staff members about the value of parent contributions, and how to work with parents as equal partners.

Parent Involvement is a priority at Northlake. It is a primary goal of the staff and classroom teachers to engage and involve parents in their child's education. Parents are encouraged by the principal and the staff to volunteer in the classroom and on campus. Parents are informed that they are an integral part of their child's education.

Northlake coordinates and integrates the Title 1 parent involvement program with other programs, and conducts other activities, such as Parent Teacher Club (PTC), to encourage and support parents to fully participate in the education of their children.

Parents of Title 1 students are some of the same parents that are part of the School Site Council and English Language Advisory Committee. Most of the school activities, events, resources and support are for all parents of students on campus.

The school distributes information related to school and parent programs, meetings, and other activities to Title 1 parents in a format and language that the parents understand.

Parent information is distributed in everyday common language terms. Acronyms are spelled out and educational vernacular and academic language is explained. Written language flyers and correspondence is translated for parents who speak a language other than English, if it is a dominant language at the school site.

Northlake and Twin Rivers Unified School District provides support for parental involvement activities requested by Title 1 parents.

The school provides many parent involvement activities requested by Title 1, School Site Council, English Language Advisory Committee parents, such as Family STEAM Night, Art Night, as well as many daytime students assemblies that parents are invited to attend.

ACCESSIBILITY

Northlake provides opportunities for the participation of all Title 1 parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand.

All parents are provided opportunities to participate in our many evening events, family nights, classroom activities, field trips, and festivals. Translators are available to assist parents in communicating with school staff, teachers, and the principal. The district office provides translators upon request. Our district office is also available to translate any forms or booklets to enhance school to home communications. Northlake TK-8 is a family-friendly school, where parent involvement, input and access is highly valued.

SCHOOL-PARENT-STUDENT COMPACT

Northlake TK-8 School Staff Pledge:

To help each student meet or exceed the state's high academic standards, Northlake TK-8 Staff agrees to carry out the following responsibilities to the best of their ability:

- Provide high-quality curriculum and instruction
- Communicate regularly with families about student progress through conferences, parent-teacher meetings, progress reports, and other available means
- Provide reasonable opportunities for parents to volunteer and participate in their child's class, and to observe classroom activities
- Motivate students to learn
- Maintain high expectations and help every child develop a love of learning
- Provide a warm, safe, and caring learning environment
- Participate in professional development activities that improve teaching and learning and that support the formation of partnerships with families and the community
- Participate actively in collaborative decision making
- Work consistently with families and my school colleagues to make the school an accessible and welcoming place for families
- Respect the school, students, staff and families

Student Pledge:

To help myself succeed in school, I agree to carry out the following responsibilities to the best of my ability:

- Come to school ready to learn and work hard
- Bring necessary materials, completed assignments and homework
- Know and follow school and class rules
- Ask for help when I need it
- Communicate regularly with my parents and teachers about school experiences so that they can help me be successful in school
- Limit my phone and device time and instead study or read every day after school
- Respect the school, classmates, staff and families
- Cell phones off and stored in backpacks during the school day

Family/Parent Pledge:

To help my child meet or exceed the state's high academic standards, I agree to carry out the following responsibilities to the best of my ability:

- Communicate the importance of education and learning to my child
- Provide a quiet time and place for homework
- Monitor my child's phone and device usage
- Read to my child or encourage my child to read every day (20 minutes for grades K-3, and 30 minutes for grades 4-6)
- Communicate with the teacher or the school when I have a concern
- Ensure that my child attends school every day, and gets adequate sleep, regular medical attention and proper nutrition
- Regularly monitor my child's progress in school
- Participate in activities at school, such as school decision making, volunteering and/or attending parent-teacher conferences
- Communicate the importance of education, proper behavior, and using appropriate language.
- Respect the school, staff, students, and families

Together we can make a difference in the lives of all of our Northlake students. We are focused on educating the next generation and preparing them for college and career opportunities.

School Plan for Student Achievement (SPSA)

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Northlake TK-8	34765050142380	May 21, 2025	

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp), and for federal Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements for both the SPSA and federal ATSI planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

This plan is being used by Northlake TK-8 for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

Schoolwide Program

This template is based on the December, 2023 CDE revision of the School Plan for Student Achievement. Some modifications have been made to inform the SPSA development process.

Plan Description

Briefly describe your school's plan for effectively meeting ESSA's planning requirements in alignment with the Local Control and Accountability Plan (LCAP) and other federal, state, and local programs.

This plan is being used by Northlake TK-8 for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs:

➤ Schoolwide Program

This plan is being used by Northlake TK-8 for meeting the following ESSA planning requirements in alignment with the LCAP and other federal, state, and local programs: Schoolwide Program

Northlake TK-8 welcomed 400 students for our inaugural year and we are projected to reach enrollment of 560 students for the 2025-2026 school year. As housing progresses, additional classrooms will be opened each year thereafter to support the growing community.

Northlake TK-8 will be setting the district standard for flexible seating, student collaboration, in addition to student leadership and will showcase a heightened focus on academics, STEAM (science, technology, engineering, art, mathematics), social emotional learning and character building.

Northlake TK-8's SPSA focuses on four main goals: academic achievement, college and career readiness, culture and climate and parent engagement.

Northlake TK-8 will utilize standards-based instruction utilizing research-based instructional practices. Direct support will be provided to staff around instructional planning, developing professional learning communities, instructional coaching in math and English language arts, and professional development in STEAM focus areas.

In addition to our focus on academic excellence, Northlake will integrate STEAM (science, technology, engineering, arts, and mathematics) concepts within our daily curriculum. Students will participate in hands on lessons within their classrooms, as well as our Makerspace, to cultivate a passion for learning and inquiry. Students will also benefit from community partnerships in the STEAM fields. Culture and climate will also be a priority, as we focus on establishing a warm and inviting culture, where students feel valued and supported while learning how to self regulate, express feelings and thrive. Students will have a better understanding of social emotional learning, how to appropriately communicate their thoughts and feelings, and feel comfortable using restorative practices in classrooms and on the campus. Parent engagement will be of utmost importance, as we establish a community focused on the success and well being of our student body.

The currently allocated funding for the 2025-2026 school year includes: Title 1 Basic funding is \$57,119.00, Title 1 Parent Engagement is \$1,562.00 and LCAP/site funding is \$78,917. The SPSA details how Title 1 funding is allocated.

Educational Partner Involvement

How, when, and with whom did Northlake TK-8 consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The Local Control Funding Formula (LCFF) is California's formula for determining the level of state funding provided to K-12 school districts. It provides districts with base funding - the same per pupil amount for all students - as well as supplemental and concentration grants for low-income students, English learners and foster youth.

The Local Control and Accountability Plan (LCAP) is a companion piece to the Local Control Funding Formula. It is the state's vehicle for assuring transparency, engagement and accountability in district funding decisions. Under the LCFF, all districts are required to prepare an LCAP, which describes how they intend to meet annual goals for all pupils, with specific activities to address state and local priorities. Each school district must engage parents, educators, employees, and the community to establish these plans. Parental and community engagement of all stakeholders is critical to the development of the district LCAP. The plans will describe the school district's overall vision for students, annual goals and specific actions the district will take to achieve the vision and goals.

Student data and LCAP survey results, gathered during this process, can help develop student achievement goals that are expressed as actions in our school's Single Plan for Student Achievement (SPSA). Once these priorities are

developed, the SPSA can then be aligned to initial projected budget allocations for our site using a template provided by the district. Individual school priorities created by School Site Councils (SSC) will help decide district wide LCAP goals. School sites have been given local control and flexibility to deliver an equitable education to all students.

LCAP funds will enable Northlake TK-8 to provide services to enable students to meet grade level standards.

Northlake TK-8 opened its doors to the community in August 2024. The 2024-2025 school year served as the baseline for all future decisions. Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. The SPSA will be shared with school-site level advisory groups who will reflect on the progress made by the school site throughout our inaugural year. Northlake TK-8's School Site Council and English Learner Advisory Committee are the two critical school site level advisory committees that serve as stakeholders engaged in the ongoing and annual process of designing, analyzing, refining, and revising the Single Plan for Student Achievement.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable. This section is required for all schools eligible for ATSI and CSI.

Not applicable

Comprehensive Needs Assessment Components

Identify and describe any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

California School Dashboard (Dashboard) Indicators

Referring to the California School Dashboard (Dashboard), any state indicator for which overall performance was in the "Red" or "Orange" performance category.

Currently no data reflected for Northlake TK-8 on the California School Dashboard.

Referring to the California School Dashboard (Dashboard), any state indicator for which performance for any student group was two or more performance levels below the "all student" performance.

Currently no data reflected for Northlake TK-8 on the California School Dashboard.

Other Needs

In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

Current Northlake TK-8 suspension rate, as of May 13, 2025 is 2.95%. District suspension rate is 6.96%. Current attendance rate as of May 13, 2025 is 94.13%. District attendance rate is 91.69%. Chronic absenteeism rate as of May 13, 2025 is 21.09%. District chronic absenteeism rate is 28.22%.

School and Student Performance Data

Student Enrollment

This report displays the annual K-12 public school enrollment by student ethnicity and grade level for Northlake TK-8. Annual enrollment consists of the number of students enrolled on Census Day (the first Wednesday in October). This information was submitted to the CDE as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS).

Enrollment By Student Group

Student Enrollment by Subgroup

CAASPP Results English Language Arts/Literacy (All Students)

The Smarter Balanced Summative Assessments for ELA and mathematics are an annual measure of what students know and can do using the Common Core State Standards for English language arts/literacy and mathematics.

The purpose of the Smarter Balanced Summative Assessments is to assess student knowledge and skills for English language arts/literacy (ELA) and mathematics, as well as how much students have improved since the previous year. These measures help identify and address gaps in knowledge or skills early so students get the support they need for success in higher grades and for college and career readiness.

All students in grades three through eight and grade eleven take the Smarter Balanced Summative Assessments unless a student's active individualized education program (IEP) designates the California Alternate Assessments.

Visit the California Department of Education's [Smarter Balanced Assessment System](#) web page for more information.

The English Language Proficiency Assessments for California (ELPAC) system is used to determine and monitor the progress of the English language proficiency for students whose primary language is not English. The ELPAC is aligned with the 2012 California English Language Development Standards and assesses four domains: listening, speaking, reading, and writing.

Visit the California Department of Education's [English Language Proficiency Assessments for California \(ELPAC\)](#) web page or the [ELPAC.org](#) website for more information about the ELPAC.

Student Population

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

This section provides information about the school's student population.

Academic Engagement Graduation Rate

The 2024 California School Dashboard provides parents and educators with meaningful information on school and district progress so they can participate in decisions to improve student learning.

The California School Dashboard goes beyond test scores alone to provide a more complete picture of how schools and districts are meeting the needs of all students. To help parents and educators identify strengths and areas for improvement, California reports how districts, schools (including alternative schools), and student groups are performing across state and local measures.

Performance on state measures, using comparable statewide data, is represented by one of five colors. The performance level (color) is not included when there are fewer than 30 students in any year. This is represented using a greyed out color dial with the words "No Performance Color."

Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

Our ELA and math goals are to be school-wide, with specific strategies and actions focused on all subgroups for the 25-26 school year.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that your school will use as a means of evaluating progress toward accomplishing the goal.

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
iReady Reading Diagnostic Assessment (grades K-8)	During the inaugural 2024-2025 school year Northlake TK-8 scored the following: i-Ready Diagnostic #1 67% below grade level and 33% on or above grade level and i-Ready Diagnostic #2: 42% below grade level and 58% on or above grade level.	70%+ of kindergarten through eighth grade students will reach their typical growth benchmarks in ELA, as measured by the iReady Diagnostic 1 Assessment to the iReady Diagnostic 3 Assessment.
Trimester 2 ELA district benchmark assessments (grades TK-8)	During the inaugural 2024-2025 school year, Northlake TK-8 had an overall ELA benchmark #1 score of 66.5% and an overall ELA benchmark #2 score of 73.81%.	70%+ of transitional kindergarten through eighth grade students will meet grade level expectations in ELA as measured by Trimester 2 district benchmark assessment.
Trimester 2 math district benchmark assessments (grades TK-8)	During the inaugural 2024-2025 school year, Northlake TK-8 had an overall math benchmark #1 score of 70.8% and an overall math benchmark #2 score of 68.41%.	70%+ of transitional kindergarten through eighth grade students will meet grade level expectations in math as measured by Trimester 2 district benchmark assessment.

Improve culture and climate through increased student engagement

Northlake TK-8 will ensure a school environment that is safe, clean, and conducive to learning and that contributes to a positive, student centered school culture. Positive Behavior Interventions and Supports (PBIS) will be used as our school wide behavior system to define and encourage appropriate student behaviors. Social emotional learning will also be utilized to teach self regulation and encourage appropriate student behaviors and responses. Northlake TK-8 will reflect on baseline suspension and chronic absenteeism data established during the 2024-2025 inaugural year.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members
- 0 Secondary Students

Name of Members	Role
Stacey Firpo	Principal
Elle Hassani	Classroom Teacher
Tim Keys	Classroom Teacher
Sonia Borja	Classroom Teacher
Julie Ulrich	Other School Staff
Cheryl Corona	Parent or Community Member
Kayode Diji	Parent or Community Member
Pavandeep Kaur Goraya	Parent or Community Member
Nneoma Ojiaku	Parent or Community Member
Michael LaForm	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
	State Compensatory Education Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 21, 2025.

Attested:

Principal, Stacey Firpo on May 21, 2025

SSC Chairperson, Pavandeep Kaur Goraya on May 21, 2025

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan (LCAP) process.

This SPSA template consolidates all school-level planning efforts into one plan for programs funded through the Consolidated Application (ConApp) pursuant to California *Education Code* (EC) Section 64001 and the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the local educational agency (LEA) that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 64001(g)(1), the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the LEA, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

Plan Description

Briefly describe the school's plan to effectively meet the ESSA requirements in alignment with the LCAP and other federal, state, and local programs.

Additional CSI Planning Requirements:

Schools eligible for CSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal CSI planning requirements.

Additional ATSI Planning Requirements:

Schools eligible for ATSI must briefly describe the purpose of this plan by stating that this plan will be used to meet federal ATSI planning requirements.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Within California, these stakeholders are referred to as educational partners. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Educational Partner Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

Additional CSI Planning Requirements:

When completing this section for CSI, the LEA must partner with the school and its educational partners in the development and implementation of this plan.

Additional ATSI Planning Requirements:

This section meets the requirements for ATSI.

Resource Inequities

This section is required for all schools eligible for ATSI and CSI.

Additional CSI Planning Requirements:

- Schools eligible for CSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the CSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Additional ATSI Planning Requirements:

- Schools eligible for ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required school-level needs assessment.
- Identified resource inequities must be addressed through implementation of the ATSI plan.
- Briefly identify and describe any resource inequities identified as a result of the required school-level needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

Comprehensive Needs Assessment

Referring to the California School Dashboard (Dashboard), identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. In addition to Dashboard data, other needs may be identified using locally collected data developed by the LEA to measure pupil outcomes.

SWP Planning Requirements:

When completing this section for SWP, the school shall describe the steps it is planning to take to address these areas of low performance and performance gaps to improve student outcomes.

Completing this section fully addresses all SWP relevant federal planning requirements.

CSI Planning Requirements:

When completing this section for CSI, the LEA shall describe the steps the LEA will take to address the areas of low performance, low graduation rate, and/or performance gaps for the school to improve student outcomes.

Completing this section fully addresses all relevant federal planning requirements for CSI.

ATSI Planning Requirements:

Completing this section fully addresses all relevant federal planning requirements for ATSI.

Goals, Strategies/Activities, and Expenditures

In this section, a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Additional CSI Planning Requirements:

When completing this section to meet federal planning requirements for CSI, improvement goals must also align with the goals, actions, and services in the LEA's LCAP.

Additional ATSI Planning Requirements:

When completing this section to meet federal planning requirements for ATSI, improvement goals must also align with the goals, actions, and services in the LEA's LCAP.

Goal

Well-developed goals will clearly communicate to educational partners what the school plans to accomplish, what the school plans to do in order to accomplish the goal, and how the school will know when it has accomplished the goal. A goal should be specific enough to be measurable in either quantitative or qualitative terms. Schools should assess the performance of their student groups when developing goals and the related strategies/activities to achieve such goals. SPSA goals should align to the goals and actions in the LEA's LCAP.

A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such the S.M.A.R.T. approach.

A S.M.A.R.T. goal is:

- **Specific,**
- **Measurable,**
- **Achievable,**
- **Realistic, and**
- **Time-bound.**

A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the "Goal #" for ease of reference.

Additional CSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

Additional ATSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the Dashboard and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

Additional CSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal CSI planning requirements.

Additional ATSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the

baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

Additional CSI Planning Requirements:

When completing this section for CSI, the school must include school-level metrics related to the metrics that led to the school's eligibility for CSI.

Additional ATSI Planning Requirements:

Completing this section as described above fully addresses all relevant federal ATSI planning requirements.

Strategies/Activities Table

Describe the strategies and activities being provided to meet the goal.

Complete the table as follows:

- **Strategy/Activity #:** Number the strategy/activity using the “Strategy/Activity #” for ease of reference.
- **Description:** Describe the strategy/activity.
- **Students to be Served:** Identify in the Strategy/Activity Table either All Students or one or more specific student groups that will benefit from the strategies and activities. ESSA Section 1111(c)(2) requires the schoolwide plan to identify either “All Students” or one or more specific student groups, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners.
- **Proposed Expenditures:** List the amount(s) for the proposed expenditures. Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to EC Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.
- **Funding Sources:** List the funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Planned strategies/activities address the findings of the comprehensive needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

Additional CSI Planning Requirements:

- When completing this section for CSI, this plan must include evidence-based interventions and align to the goals, actions, and services in the LEA's LCAP.
- When completing this section for CSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.

Note: Federal school improvement funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.

Additional ATSI Planning Requirements:

- When completing this section for ATSI, this plan must include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

- When completing this section for ATSI, this plan must address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.
- When completing this section for ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the ATSI designation.

Note: Federal school improvement funds for CSI shall not be used in schools identified for ATSI. Schools eligible for ATSI do not receive funding but are required to include evidence-based interventions and align with the goals, actions, and services in the LEA's LCAP.

Annual Review

In the following Goal Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Goal Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal.

- Describe the overall implementation and effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between the intended implementation and/or material difference between the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

Note: If the school is in the first year of implementing the goal, the Annual Review section is not required and this section may be left blank and completed at the end of the year after the plan has been executed.

Additional CSI Planning Requirements:

- When completing this section for CSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal CSI planning requirements.
- CSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI planning requirements.

Additional ATSI Planning Requirements:

- When completing this section for ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the federal ATSI planning requirements.
- ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for ATSI planning requirements.

Budget Summary

In this section, a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp.

Note: If the school is not operating a Title I schoolwide program, this section is not applicable and may be deleted.

Additional CSI Planning Requirements:

- From its total allocation for CSI, the LEA may distribute funds across its schools that are eligible for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Note: CSI funds may not be expended at or on behalf of schools not eligible for CSI.

Additional ATSI Planning Requirements:

Note: Federal funds for CSI shall not be used in schools eligible for ATSI.

Budget Summary Table

A school receiving funds allocated through the ConApp should complete the Budget Summary Table as follows:

- **Total Funds Provided to the School Through the ConApp:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving funds from its LEA for CSI should complete the Budget Summary Table as follows:

- **Total Federal Funds Provided to the School from the LEA for CSI:** This amount is the total amount of funding provided to the school from the LEA for the purpose of developing and implementing the CSI plan for the school year set forth in the CSI LEA Application for which funds were received.

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the Schoolsite Council (SSC). The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need).
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to:
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved.
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards.
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.
 - B. Evidence-based strategies, actions, or services (described in Strategies and Activities)

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will:
 - a. Provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. Use methods and instructional strategies that:
 - i. Strengthen the academic program in the school,
 - ii. Increase the amount and quality of learning time, and
 - iii. Provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. Strategies to improve students' skills outside the academic subject areas;
 - ii. Preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. Implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. Professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. Strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the LEA (may include funds allocated via the ConApp, federal funds, and any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
 1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to:
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

For questions or technical assistance related to meeting federal school improvement planning requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with educational partners (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*);
2. Include evidence-based interventions (*Sections: Strategies/Activities, Annual Review and Update, as applicable*) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/fund/grant/about/discretionary/2023-non-regulatory-guidance-evidence.pdf>);

Non-Regulatory Guidance: Using Evidence to Strengthen Education Investments

3. Be based on a school-level needs assessment (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable*); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable*).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the LCAP and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: *EC* sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Additional Targeted Support and Improvement

A school eligible for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (*Sections: Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable*).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Eligible for ESSA School Improvement

Single school districts (SSDs) or charter schools that are eligible for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (*EC Section 64001[a]* as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (*EC Section 52062[a]* as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: *EC* sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
