Parade of Graduates

It has been a tradition for the last 4 years for the graduating seniors to walk through the hallways of their previous schools at McKinley, Wilson, and Sycamore. This tradition is such a bittersweet moment that makes seniors realize their high school career is almost over.

This year around 60 seniors participated. We started at McKinley where students waved blue and gold pom poms while Pomp and Circumstance played. We then walked to Sycamore and drove to Wilson to round out the morning. Students held pictures of graduating seniors and cheered for everyone as they walked by. It was another successful Parade of Graduates!

Coaches of the Year

Coach Barajas and Coach Ayon were both recognized with the 2025–2026 Northern Section Model Coach Award, while Coach Link earned the prestigious Northern Section CIF State Model Coach Award.

Together, these three coaches represent four different athletic programs and have impacted countless students and families through their leadership, dedication, and commitment to education-based athletics.

Their influence extends far beyond wins and losses. They consistently model integrity, character, sportsmanship, and servant leadership for our students and community. They truly embody the CIF motto: “Pursuing Victory With Honor.”

Blood Drive

We had a total of 11 successful donors. We were able to collect 8 whole blood donations, and 3 Power Red donations, for a total of 15 lifesaving units of blood. The units that were collected will go to impact the lives of 45 hospital patients, which is so important due to the critical blood shortage we are facing. Thank you to all our donors!
